1 PUBLIC COMMENTS

Mr Bob Davis requested that yellow lines be installed on Blandford Way to stop people parking dangerously close to the junctions with Field Barn Road and Old Budbrooke Road. Mr Davis also asked about the area round the war memorial which is unlit and where youths sometimes congregate. These issues were discussed further later in the meeting.

Members of HMRA asked about the progress of the Local Plan and the proposed housing development in Hampton Magna, and expressed concern that representatives of Taylor Wimpey had been seen at land by Gould Road which does not form part of the agreed development land. WCC Cllr Caborn explained that the Local Plan will go to the council (WDC) in January and will then go through a public inspection. In the meantime, planning applications can be submitted as normal and go through the usual planning process.

The Clerk to contact the traffic wardens section to request their attendance in the village to ticket cars that are creating an obstruction, and to contact the bus company to get their support for this action.

Members agreed that they did not want yellow lines in the village.

Newsletter Editor Position

Ian Broadbridge has accepted the position and will receive an honorarium, to be paid in quarterly instalments. Ian will take over fully for the February edition. It was noted that wording of any parish council notices or articles will have to be drawn up by the council and forwarded to the Editor.

Cllr Shirley thanked that Chairman for his work on the newsletter.

Open Land in Hampton Magna

WCC Cllr Caborn to make further enquiries about who has responsibility for the land. The Clerk to contact WALC regarding an audit of open spaces carried out within the past few years, which may assist with this issue, and to contact Legal Services about possible registration of the land.

Request for bollards by the Hampton on the Hill post box

Graham Stanley from WCC Road Safety and the PC Chairman met with Mr Gogerly, who had requested the bollards, on 31st October and it was decided these were not suitable for this area.

Further traffic calming measures in HOTH were discussed but the PC agreed these were not suitable.

Community Governance Review

There is little to report as this is ongoing.

Access onto parish land at Styles Close

The clerk to follow up the Normandy Close resident who has agreed to sign a licence regulating access from their property.

8 CORRESPONDENCE

- Code of Conduct Consultation and letter from WDC to the Secretary of State for Communities & Local Government (emails from Graham Leach, WDC). The new Code was briefly discussed; the council has no comments to submit.

Request from Dave Shirley and Julia Smith to install memorial benches at Styles Close playing field/play area. The PC supports this and would accept the benches as a gift and maintain and insure them.

9 PARISH MAINTENANCE

The clerk to refer the following items to the appropriate departments:

- The footpath on Old Budbrooke Road by the army houses is in a bad state of repair
 - The footpath outside the shop needs attention
 - There are no dropped kerbs at the Old Budbrooke Road junction with army house road and across Field Barn Road by Blandford Way
 - The road signs in the parish are dirty
 - The verge needs cutting back between Blandford Way and the station
 - The footpath on Chichester Lane/Dorchester Avenue loop needs resurfacing – the clerk to check that it is still on Highways' list of work to be done next year
- Some of the reflective posts on Old Budbrooke Road are damaged and need replacing

The following were noted:

- Notification of gritting routes for winter 2014/15 – no change from previous year
 - A complaint about overgrown path between Montgomery Avenue and HOTH – this is the responsibility of the Montgomery Avenue Residents' Association and the work will be carried out in mid-November
- The fence by the station – this has been partly restored but more work needs to be done on it

The matter of lack of light in the area around the war memorial and the junction of Blandford Way and Old Budbrooke Road, raised during Public Comments, was briefly discussed. It was agreed that this would be discussed in more detail at the December meeting. The clerk to seek advice from Highways in advance of the meeting.

10 MATTERS PERTAINING TO OUTSIDE BODIES (CC / VH / OTHER)

Traditionally reared, farm fresh Christmas Produce

Since the day we started farming in 1983, Heart of England Farms have been rearing poultry in the way that people expect – by traditional methods. Our customers can be assured of a supreme Christmas bird, produced to the highest standards of food safety and animal welfare.

Our free range bronze turkeys and geese, cockerels, ducks and barn reared white turkeys are all brought onto the farm as day olds and traditionally reared.

The open fields used to house our free range bronze turkeys are perimeter fenced, however this is to keep the wily fox out rather than keep the turkeys in!

The geese are able to wander at will being allowed acres of space for grazing.

If not your first choice for Christmas Day, our delicious cockerels and ducks are ideal for your New Year celebrations or a forthcoming special occasion.

Please contact us for our no obligation Christmas information pack and order form.

Have you seen your bird? Our free range flocks can be seen from the A4189 between Warwick and Henley – In-Arden.

Do you represent a butcher or farm shop? We supply all our Christmas birds wholesale – bespoke labelling, pre priced, batched and delivered when you want them!

BUDBROOKE COMMUNITY CENTRE

200 CLUB

Budbrooke Community Centre receives no regular funding from any Local Authority and has to cover its day to day running costs, such as heat, light, rates, cleaning and general maintenance, out of the booking charges that it makes with User Groups.

However, the Hall was built over forty years ago by the efforts of the people of Hampton Magna and because of its age, more significant maintenance and repairs are becoming urgent. Such repairs and any new developments for the Hall are paid for out of fund-raising activities and the 200 Club, together with any grants that we can get from local councils or other bodies.

The 200 Club is a relatively painless way of supporting the Community Centre. You pay annually and there are monthly draws where you could win £10, £20 or £30, the results of which are publicised in the Parish Council Newsletter. Subscriptions are £11 per number per annum.

If you would like to subscribe for a year (starting with March's draw) and help to support your local community, please call Rebecca Hilliar on 01926 411344 or email budbrookecc@gmail.com and she will come round and collect your subscription.

If you already are a 200 Club member then we would like to take this opportunity to thank you for your continued support. It is greatly appreciated!! We will be round in January to collect next year's fees.

COMMUNITY CENTRE 'WALL OF NAMES'

You may already know that the Community Centre has a 'Wall of Names' of residents both past and present. Budbrooke Community Association has a limited number of bricks available for new names to be placed on the wall. If you would like to purchase a brick the prices are:

£10 for a Red brick

£20 for a Silver brick

£30 for a Gold Brick

All bricks to be paid for by cheque, made payable to 'BCA CIO' with the inscription required on the brick and contact details in case we need to query anything with you attached please (i.e. The Smith Family, Budbrooke Community Association, Steve & Jane Brown etc). Please post your cheque and details through 15 Daly Avenue FAO Gary Knight by Sunday, 14th December. Any requested received after this date will not be able to be processed.

WOULD YOU BE INTERESTED IN JOINING THE COMMUNITY CENTRE COMMITTEE ?

We are always looking for people to join the Committee. Being a Committee member is not greatly time consuming! We meet bi-monthly and our meetings usually last around one and a half hours. On top of this there are various fund raising activities we run through out the year to attend and help out at. If you are interested in becoming a member of our Committee, we would love to hear from you! For further information, please contact Rebecca Hilliar on 01926 411344 or email budbrookecc@gmail.com

Wishing you all a fantastic Christmas
and a very happy New Year xx

BUDBROOKE COMMUNITY ASSOCIATION CIO

CHAIR'S REPORT FROM THE ANNUAL GENERAL MEETING

Firstly I would like to say a huge thank you to everyone on the Committee who have worked so hard over the last 12 months from fundraising to maintenance without their support the centre would not be able to function on a daily basis. Can I also add my thanks partners and family of the committee who always seem to appear when help is needed.

Thank you to all the User Groups who use the centre enable us to keep the centre going and we thank you all for your on-going support.

We have tried as a Committee to organise various fundraising events over the year, for example Easter Fun Day, Family Discos, Cakes at Wren Hall, a family Halloween party, Cookery Demonstrations and we also ran the McMillan coffee morning this year which was arranged by Rebecca Hilliar at short notice but was a success, some of our other events unfortunately we have had to cancel due to lack of support but we will keep trying to entice people to support different events.

Dave's Bingo with the help of Sue is a regular fundraiser and encourages young and old to join in Dave would love more people to attend if possible. Thank you to Dave Shirley for keeping it going.

The Parish Show again proved a hit with lots of entries and thank you for all your hard work.

Our big project this year was to sort the storage issues within the community centre which has been a bug bare for everyone for years. We submitted plans to the council to move the disabled toilet and kitchen and move the entrance and build a large storage building on the side of the building. Everyone on the committee and user groups looked over the plans made suggestions and alterations but unfortunately the plans were refused on the basis that we had already extended the building more than 30% and it was a green belt issue. We as a committee are very disappointed, but with Mike Dutton's help, we are not giving up and we will continue to try and get the decision changed even if we have to go to appeal so watch this space.

Gary Knight has taken on the job of re-vamping the 'Wall of Names' and is trying to make sure everyone who bought original bricks in the back room is on the wall in the main hall. He has secured someone to do the job and hopefully after Xmas this will be sorted.

We are always looking for new people to join our committee to keep the centre going and if anyone reading this knows of anyone who would like further information please do not hesitate to get in touch by email budbrookecc@gmail.com

Finally I would like to thank the Parish Council for their support as they are always there if I need to ask anything.

Unfortunately Mark Harley has decided to step down as Vice-Chair and I would personally like to thank him for all the hard work he has done over the last 12 months. A lot of things he has done behind the scenes and probably went unnoticed but his help has been invaluable to us.

Again thank you everyone for all your hard work and look forward to the next 12 months to see what it will bring.

Julia Smith – Chair of Budbrooke Community Association CIO

OPA BIG EVENT

'NEW YEAR – NEW YOU!'

A repeat of this year's exciting event will be taking place on Thursday 22nd January 2015 at the Town Hall, Leamington Spa, 10am – 1pm and followed by a sandwich lunch. This is a drop-in fun day showcasing a wide range of the opportunities and activities available to older people. So, beat the winter blues, bring a friend or friends, and find something new near you!"

St Michael's Budbrooke

Hello there! My name is Lou, and I have recently joined the St Michael's Staff Team as the Youth and Children's Leader at St Michael's Church. As part of my role, every Friday night I help to run a youth group that is called The Rock.

The Rock is a youth group that is run on a Friday nights. The Rock consists of two groups. For years 6 – 8 the time of the youth group is 7:00pm – 8:30pm, and for years 9 upwards the times are 8:30pm – 10:00pm.

The Rock is a lively, vibrant youth group full of interactive activities, big and small group games, lots of fun and definitely, lots of laughter. It is a really exciting time at The Rock at the moment as there has been a huge increase in young people attending over the last couple of years, and on top of that, there are some of the older group who come along to the younger group to get stuck in serving and getting involved where they can.

One of my favourite parts of this youth group is the young people who attend. They are always full of fun and joy and are always up for a laugh! No matter what activity we are doing, whether a big game outside, a smaller game inside or a short 'thought of the day' talk, these young people always get involved and always have insightful opinions to share.

If you are free on a Friday evening and are looking for something to do, I would strongly encourage you to accept my invitation to join us at the Church Centre. It's SO much fun, and would be GREAT to see you!

See you soon!
