## **5 POLICE MATTERS / WRW COMMUNITY FORUM ISSUES**

There is a lot of litter to be cleared by the canal car park, through to the entrance of the industrial estate and there are concerns about possible anti-social behaviour in this area. The clerk to contact PC Sidhu to request the area be patrolled and WDC to report the litter to be cleared.

## **6 PLAYGROUNDS**

Playground report

The report was received prior to the meeting.

Montgomery Avenue

The toddler and junior swing seats have now been replaced. The timbers on the cabin slide still need to be replaced.

Inspections

David Connolly was confirmed as the new playground inspector, starting 1<sup>st</sup> March. Proof of his public liability insurance has been received.

The chairman thanked Richard Morton for his inspection and maintenance work on the playgrounds over the last few years.

## **7 MATTERS ARISING**

### **Parking restrictions on Blandford Way/Field Barn Road**

Parking Enforcement had informed the clerk that the parking restrictions requested for this junction did not make it onto the list to be considered by WCC in November. WCC Cllr Caborn to ask for a council representative to attend a future meeting to explain the options available, the process of putting in a restriction and any way in which the process can be speeded up.

### **Additional traffic calming measures for Hampton on the Hill**

WCC Cllr Caborn had received a list of possible measures from Graham Stanley in Road Safety. Cllr Caborn to ask Graham Stanley to contact Mr Gogerly, who originally raised the matter, with the information.

## **CHAIR'S REPORT FOR MARCH**

Hi everyone'

It has been a busy couple of months since our last meeting.

On the 16<sup>th</sup> January, I met with Joel Hancock from Hancock Town Planning and Mike Dutton to discuss the re submission of the plans for the Community Centre. This was a very productive meeting and Joel gained lots of useful information from us to submit. He also asked for a letter of support from the parish council and Cllr Sawden which he felt would help out application.

The application was registered on the 3<sup>rd</sup> February and we now have to wait again. Joel did e mail Mr Mason at the planning department on the 2<sup>nd</sup> March asking if they have formed a view whether to support the application. To date I have not heard anymore.

On the 24<sup>th</sup> January, we had a packed coffee bar for the late Xmas meal thank you to Dave Denny and Penny for a fantastic night food and fun was had by all and over £300 was raised for funds.

On the 1<sup>st</sup> February, Gary Mike Angela and John came into community centre and stripped the wall of all the bricks. Thank you to all of you and once again sorry i couldn't help due to illness. Gary will update later on progress.

On the 3<sup>rd</sup> February, Myself, Gary, Mike and Rebecca met with the painter regarding the paint peeling off the dark areas of the walls. After a discussion he agreed to repaint the dark red areas and the Community Centre has been made available for him to do this over the Easter Break so no bookings are being taken for the 2 weeks.

On the 6<sup>th</sup> March, I met with Roger Hampson to give him details of what we do in the Community Centre and how many people use it. He along with the parish council and others are forming a neighbourhood plan so if houses are built in the parish we would "maybe" have some say as to what houses would be built.

Gary arranged for the old blue chairs to be removed thank you Gary for sorting this.

Unfortunately, we have had someone around the rear of the building during half term. Gillian reported that there were bottles and broken glass out the back and picked up what she could. So if everyone could keep an eye open if passing and if they see anyone who shouldn't be here report it to Paul Coleman our PCSO.

The front cover of the electric/gas box has also become detached not sure if it

has been taken off or just the wood has warped with the weather. Thanks to Gillian's husband for repairing this. I'm not sure why this hasn't got a proper door on that has a lock that can be opened by the gas/electric people but not sure if it would be expensive bearing in mind this will be moved in the future with the extension.

I would just like to say that when Mark Harley was Safety and Maintenance Officer we were fortunate that he was able to do any jobs that needed doing 24/7 and we must bear in mind that we have been very lucky that Mike White has taken over the job but must also realise that he works 5 days a week and can only repair things when he has a spare 5 minutes so please take this into account if something is not done straight away.

The stop cock has been replaced and the water board is booked in for the 28/4 which is a Tots morning so will be done between 10 and 12.

# National Plant Monitoring Scheme

Monitoring our wild flowers

## What is it?

The National Plant Monitoring Scheme (NPMS) is organised and funded by BSBI, CEH, JNCC and Plantlife. The aim is to collect data to provide an annual indication of changes in plant abundance and diversity.

Michael Pocock, CEH

## Why is it needed?

Thanks to volunteers, we have a very good understanding of changes in the populations of birds, butterflies and bats. Plants are the foundations of ecosystems, but currently we do not have a good measure of changes in plant populations.

Michael Pocock, CEH

## How will it work?

This is a scientific survey, so you will be randomly allocated a convenient 1km square to visit. The visit involves recording plant 'indicator species' in plots. Within your 1km square you will record around 5 plots.

Michael Pocock, CEH

## Who can take part?

Anyone interested in nature who can identify plants, or who is keen to learn. Different levels of participation ensure that all who are keen can participate: you do not have to be an experienced botanist. There will be training materials provided and the opportunity to attend workshops throughout the year.

Michael Pocock, CEH

For more information visit: [www.npms.org.uk](http://www.npms.org.uk)
