WCC – Warwickshire County Council

WDC – Warwick District Council

HOTHRA – Hampton on the Hill Residents' Association

WALC – Warwickshire Association of Local Councils

HMRA – Hampton Magna Residents' Association

WRCC – Warwickshire Rural Community Council

Present: Cllrs D. Bryan, K. Dutton, M. Dutton, A. Robey, C. Roper, D. Shirley and M. Treacy;

WDC Cllr P. Phillips; WCC Cllr L. Caborn

Public Comments

Nineteen members of the public were present.

Matters raised included the new kerb stones and the proposed traffic calming scheme for Hampton on the Hill.

Declarations of Interest and Dispensations

None received.

Apologies and Acceptance of Reasons for Absence

Received and accepted from Cllr R. Hales and Cllr F. Roper.

Minutes of Last Meeting

The council resolved to accept the minutes of the meeting held on 5th October 2016.

Police Matters & WRW Community Forum Matters

There were no matters to raise.

Playgrounds

The October inspection report had been circulated. Evidence of drug taking has been found at Styles Close. The annual safety inspection report from Wicksteed and accompanying comments from the council's playground inspector were considered. The clerk is to ask Martin Davies for a quote for moving the goal posts at Styles Close 20-30 feet inwards at each end of the field and this will be considered along with the quote for repairing the fencing at the far end of the field, which was received earlier in the year.

Matters Arising

Hampton on the Hill traffic calming – the council had received notification of a proposed change to a 50mph limit on the section of Hampton Road between Henley Road and the allotments. Representatives of HOTHRA, Bill Jackson and John Lock, were invited to speak on this matter and they outlined their association's concerns that a 40mph limit would be safer; the chairman reminded them that they had been advised at the meeting with Highways last year that there were additional costs associated with a change to 40mph and it would be difficult to get this approved. Councillors agreed to request a delay to the speed limit change until full details of the proposed traffic calming scheme have been received and reviewed by the council.

WCC Highways' response to the council's concerns about the poor condition of the footpaths in Hampton Magna and the placement of the new kerb stones in Hampton on the Hill was noted. The kerb stones are correctly located and there is room for a bus and a car to pass safely; the footpaths will be investigated for inclusion on subsequent years' repairs lists but budgets for this work are reducing and the Dorchester Avenue/Chichester Lane footpath resurfacing will now take place in 2017/18.

Correspondence

Crime Prevention

Warwickshire County Council Community Safety Team has asked for the following information to be circulated. There are no recorded cases in Warwickshire as yet, so let's try and keep it that way!

Beware of offenders targeting homes of elderly residents saying that there is a problem with damp and drains

We have received information from other UK Police Forces about incidents, which have occurred across their areas, whereby white male offenders have targeted the homes of elderly residents. The males have typically called at the homes of elderly and vulnerable people and have told them that they have a problem with damp in their house, or with their drains. They then say that they will need to hire equipment, such as a dehumidifier or pump, to rectify the problem and ask for payment up front for the hire of this equipment.

There have been no recorded incidents of this happening in Warwickshire so far but we are making you aware in case it does spread this way. Please make elderly relatives and neighbours aware that this is happening and ask them to turn the callers away empty handed and contact Police on 101 if they are approached in this way. Warn them never to hand over any cash to strangers at the door and, if possible, not to answer the door to anyone they do not know or are not expecting.

Hi everyone

After the AGM in October I am pleased to say that everyone decided to stay on the committee to once again keep the centre running as without the committee we couldn't function so thank you everyone.

Rebecca our secretary stepped down after trying to for the last 3 years and luckily Linda Price stepped forward to do the job and I look forward to working with her in the future.

We have a lot of events leading up to Christmas—Penny and Denny cookery demonstration, Bingo our normal Sunday night one and a Prize fundraising Bingo; also the Carol singing on the 3rd December so lots to organise.

Pre-school and TOTS have applied for funding to help make the rear outside space more appealing.

If successful they will come to the Community Centre for approval before any decisions are made as what to use the money for.

Traditionally reared, farm fresh Christmas Produce

Since the day we started farming in 1983, Heart of England Farms have been rearing poultry in the way that people expect – by traditional methods. Our customers can be assured of a supreme Christmas bird, produced to the highest standards of food safety and animal welfare.

Our free range bronze turkeys and geese, cockerels, ducks and barn reared white turkeys are all brought onto the farm as day olds and traditionally reared.

The open fields used to house our free range bronze turkeys are perimeter fenced, however this is to keep the wily fox out rather than keep the turkeys in!

The geese are able to wander at will being allowed acres of space for grazing.

If not your first choice for Christmas Day, our delicious cockerels and ducks

are ideal for your New Year celebrations or a forthcoming special occasion. Please contact us for our no obligation Christmas information pack and order form.

Have you seen your bird? Our free range flocks can be seen from the A4189 between Warwick and Henley – In-Arden.

Do you represent a butcher or farm shop? We supply all our Christmas birds wholesale – bespoke labelling, pre priced, batched and delivered when you want them!
