Declarations of Interest and Dispensations

None received

Apologies and Acceptance of Reasons for Absence

Apologies received and accepted from Cllr Hales and WDC Cllr Phillips.

Minutes of Last Meeting

The council resolved to accept the minutes of the meeting held on 4th May 2016.

Police Matters & WRW Community Forum Matters

The chairman gave feedback from the May community forum where proposed alterations to Stanks Island and surrounding roads had been discussed. The changes include traffic lights at Stanks Island and Wedgnock Road island. He and the Chairman of Hatton Parish Council had queried how the changes would improve the situation for their residents, rather than just moving traffic off the A46 more quickly. The clerk is to write to WCC Highways and Highways England to express the parish council's concern about the proposed changes and to Chiltern Railways to ask for their views on the proposed alterations.

Playgrounds

The May inspection report had been received and there are no matters to address.

Matters Arising

Changes to the 68 bus service – the response received from Stagecoach West Midlands had been circulated prior to the meeting.

Parking restrictions on Blandford Way – the chairman has seen the plans for the proposed restriction. These will go out to public consultation.

Severn Trent visits and work being carried out – ST have given an update on properties/roads visited (8) and those still to be visited (4). When all the agreed work is completed the parish council will review the situation to see if anything further needs to be done.

Hampton Magna 50th anniversary celebrations – the commemorative mug is now ready and will shortly be on sale.

Barracks Memorial – phase 1 of the cleaning/improvements took place on 28th May, when the grass and the area around the memorial were tidied. The council expressed its thanks to those who were involved: Cllrs Hales and Treacy for organising the clean-up, Major and Mrs Rice, Cllr and Mrs Shirley, Sue Morley and Dave Welch. Members agreed that the memorial area is now looking particularly good. The clerk is to thank Major and Mrs Rice, who don't live in the parish, for taking the time to get involved. The gilding on the memorial was discussed and it was suggested that the regiment name be gilded and the existing gilding redone. Some bricks at the top of the memorial are loose – Cllr Treacy to remove these to make it safe and the clerk to contact a builder in the village to repair the memorial. The council agreed to install planters and a bench on the site and to order the 5ft bench in the same style as those at the play areas. The bench should be available in three months' time. Cllr Treacy is to provide ideas and costs for the planters, to be brought to a future meeting.

Western Power have confirmed that they are dealing with the parish council's request for information and should respond in full in advance of the next meeting.

Hampton on the Hill traffic calming – WCC Cllr Caborn confirmed that work is in progress but it is a lengthy process and time and officer availability is limited.

Correspondence

Email about noise pollution from the A46 – the clerk to ask WDC Environmental Health to take readings from the Daly Avenue area of Hampton Magna. Readings have been taken in the past but at a different location and different time of year.

Fields in Trust letter – the council agreed to consider nominating the land behind the bungalows at Montgomery Avenue play area. The clerk to contact the organisation about this possibility.

Parish Maintenance

On Arras Boulevard some holes in the road surface have been filled but others missed – the clerk to report again.

Sunken drains on Old Budbrooke Road – the clerk is waiting to be advised of a date for resurfacing.

The clerk to check which pavements in Hampton on the Hill are to be resurfaced.

New Close – holes in the road surface by the kerb. The clerk to report these.

The top of the tree outside 46 Arras Boulevard appears to be dead – the clerk to report to Highways and Forestry.

Parish planters – Cllr Shirley is no longer able to look after these. Cllr Carol Roper volunteered to take over, starting with replanting at the end of the summer. Bright, welcoming plants are to be used and the parish council will cover the costs of plants and compost.

Matters Pertaining to Outside Bodies

Community Centre

Policy for grants from the Community Centre Reserve

The council resolved to adopt the policy. Cllrs Bryan, K. Dutton, M. Dutton, Robey and Shirley voted in favour; Cllr Carol Roper, Cllr Frank Roper and Cllr Treacy voted against adopting the policy.

Grant to Budbrooke Community Association for extension works

Following a lengthy discussion, the council passed the following resolution:

“That this council authorises payment of a £30,000 grant to Budbrooke

Community Association for the first stage of the building and improvement works to the community centre, as agreed in principle at the council meeting of 5th December 2015”

Cllrs Bryan, K. Dutton, M. Dutton, Robey and Shirley voted in favour; Cllr Carol Roper, Cllr Frank Roper and Cllr Treacy voted against the proposal. The chairman advised the BCA committee to review the status of their project manager and members of the committee in attendance agreed to do so.

Village Hall

Cllr Bryan suggested that clearer instructions be displayed on the defibrillator outside the hall. The clerk to pass this on to Cllr Hales to raise with the committee.

Planning Matters

Current Applications

The council considered the following applications and appeals:

W/16/0823 - 4 Hatton Terrace, Birmingham Road, Hatton, Warwick, CV35 7JS: Proposed erection of single storey rear and side extension.

No objections

W/16/0778 & 9 - Old Warwickian Sports Ground, Hampton Road, Warwick, CV34 6HX: Erection of single storey side and rear extension to form club house & signage to advertise the building use and directions WDC Planning had advised that they would appreciate any comments on the change of use, whilst new plans are being drawn up for full consideration. The clerk is to ask what implications the change of use would have as it would change from a sports ground to a commercial site. The council has concerns about the impact of noise and, if the site grows, of traffic at the junction with the Henley Road.

The council agreed to wait for the new plans to submit further comments and to discuss via email if the deadline is before the July parish council meeting.

Appeal APP/T3725/W/16/3149123: Planning Application W/15/1810 - Northbound Services, Warwick Bypass, Erection of Starbucks Drive Thru' Coffee Shop and Associated Parking 24 Hours
The original representation is to be resubmitted to planning inspectorate.

Hedges

Now is the time to cut back hedges that are overgrowing. Please cut hedges and foliage back to the boundary of your property, particularly if it borders the footpath.

Thank you.

Building work at Budbrooke Community Centre

As many of you know, the committee has been working extremely hard to secure funding to build much needed additional storage for the centre.

We are pleased to say that we have now achieved this and building work is due to commence in the week beginning 4th July 2016, to be completed by the end of September 2016.

From the week commencing 27th June 2016 there will be some disruption to parking and times when parking at the centre is limited.

There may also be some noise and disturbance from the building work.

We apologise for any inconvenience caused and thank you in advance for your patience.
