NALC – National Association of Local Councils	WALC – Warwickshire Association of Local Councils
PCSO – Police Community Support Officer	WRWCF – Warwick Rural West Community Forum
WCC – Warwickshire County Council	HMRA – Hampton Magna Residents’ Association

Present: Cllrs Bryan, K. Dutton, M. Dutton, A. Robey, C. Roper, F. Roper, Shirley and Treacy; WCC Cllr Caborn.

Public Comments

22 members of the public were present at the start of the meeting. Questions were asked on the following issues:

Parking restrictions for Blandford Way – WCC Cllr Caborn to chase this.

Cleaning of the barracks memorial - Cllr Hales confirmed it is in hand and a group from the community will be carrying this out. It will be advertised in the next newsletter.

Parish Council response to Local Plan - to be agreed and will be published on the website; however, due to the short time left in which to respond to the consultation, it may not be available before the 22nd April deadline. Members of the parish council have attended briefings and met with WDC officers to discuss the plan and request information and have also raised questions with Severn Trent.

The Chairman raised concerns about the manner in which people unconnected to the council had been seeking support for the opposition to the new housing, as some residents had reported finding it intimidating. He reminded the meeting that everyone was entitled to their own view on the proposed development.

Declarations of Interest and Dispensations

Cllr Bryan declared a non-pecuniary interest in Farm Fest Budbrooke 2016 and Church Farm Brewery (discussed under Item 7 and Item 14).

Apologies and Acceptance of Reasons for Absence

Apologies received from WDC Cllr Phillips.

Minutes of Last Meeting

The council resolved to accept the minutes of the meeting held on 2nd March 2016.

Police Matters & WRW Community Forum Matters

Nothing to report this month.

Playgrounds

The March inspection report had not been received.

A quote to repair the wooden edging to the safety surface at Styles Close was accepted.

Matters Arising

Church Farm licence application – the hearing was rearranged for 22nd March 2016 and the chairman attended on behalf of the parish council. The licence was granted for a one-day event, once a year, subject to conditions.

Meeting with Severn Trent on 5th April 2016 – see separate item for details of discussions

Annual Parish Meeting – this will take place on Wednesday 27th April 2016 at 8pm at the community centre. The agenda order will be as follows: Reports, Public Comments, Presentation. The clerk to send out requests for reports.

Parking restrictions on Blandford Way – concerns had been raised about county council officers “cold calling” on residents, particularly as vulnerable people are encouraged not to deal with doorstep callers. It was agreed that it would be helpful if, in the future, the parish council could be made aware of any plans to approach residents in this manner,

Local Plan – Parish Council's Response

The parish council's response to the amended Warwick District Local Plan can be found on the website, under News and Events: www.budbrookepc.org.uk.

There will also be copies available to read in the Open Door, Costcutter and Budbrooke Medical Centre.

Dog Fouling

Dog fouling is becoming an increasing problem within the parish. Please clean up after your dog to make the area more pleasant for everyone. Dog waste can be put in any litter bin or grey refuse bin, as long as it is in a disposable bag.

Thank you for your co-operation.

so that this could be publicised in the newsletter. WCC Cllr Caborn to pass these comments on to Highways.

Hampton Magna 50th anniversary celebrations – update received from Richard Lyttle. The group requested a contribution towards a bench, to be sited to the front of the community centre and the council agreed to pay the full cost of the bench - £488 including VAT. The council agreed to look into replacing the two Hampton Magna road signs at the entrances to the village and installing a new sign on Church Lane. WCC Highways approval to be sought and a quote to be requested from Nuneaton Signs. The children in the top two classes of Budbrooke Primary School will all receive a commemorative mug. A list of confirmed events is now available.

Tree at Montgomery Avenue – a local resident has asked for permission to cut down a tree on parish council land at Montgomery Avenue. The tree has been inspected and it is not diseased or damaged and does not pose any danger, therefore the council agreed that it should not be removed.

Correspondence

Street names – email from Mark Barnes, WDC Street Naming & Numbering Manager, requesting suggestions for street names for new developments in the parish. It was agreed that a list should be put together comprising the names on the roll of honour, which is displayed in the village hall, others who served in the First World War, other battles the regiment had been involved in and any notable soldiers who served in the regiment. Andy Thomas agreed to provide information on the WWI names and battles to the clerk. The clerk is to investigate the other possible names.

The **WALC meeting** to be held on 20th April was noted

Tree Protection Order 508, 7a Seymour Close, Hampton Magna – the parish council supports this application.

Parish Maintenance

The council accepted Martin Davies' quote to remove ivy growing on parish council land at Montgomery Avenue, some of which is damaging a resident's fence.

The clerk is to ask the WCC Highways Locality Officer to inspect the pavements in Hampton on the Hill as they are in poor condition and in some areas are potentially a trip hazard.

Matters Pertaining to Outside Bodies

Community Centre – A quiz night will be held on 9th April, organized by the Hampton Magna 50 group; monthly bingo continues.

Village Hall – Forthcoming events include film night on 22nd April and skittles night on 7th May 2016.

Planning Matters

Current Applications

The council considered the following application:

W/16/0298 – Church Farm Brewery: Change of use of agricultural building and an existing building in B8 use to brewery (class B2).

The chairman queried the increase in production and the statement that there would not be additional traffic or HGVs going to and from the farm. It was agreed that the chairman would write a response, to state that the parish council does not object to the increase in production and the changes to the buildings but has concerns about the potential increase in heavy vehicles and the effect this would have on the local roads, which weren't built for large vehicles. To be circulated on 7th April and submitted to WDC Planning on 8th April.

Memorial Cleaning

As the weather is looking brighter, we'd like to pick up on the project of cleaning and tidying the barracks memorial. A number of residents suggested that we make this a community event, which is great! The idea is to clean the memorial and tidy the area around it. I will contact those of you who have kindly come forward already but we welcome all volunteers. This will take place during May, on a date to suit those who wish to be involved.

We look forward to hearing from you

The response will be submitted by the deadline of 4.45pm on 22nd April 2016.

Neighbourhood Plan Update

The plan will be put on hold until the effects of the amendments to the local plan are known.

Cllr Frank Roper agreed to provide feedback from the meeting with Severn Trent, to go on the website and in the newsletter. This will include a thank you to those who responded to the parish council's request for information.
