Public Comments

The Stanks Island proposals, on the agenda under Item 7 – Matters Arising – were moved to the start of the meeting and members of the public were invited to take part in discussions on the matter. Nicola van der Hoven and Mike Peet from WCC Highways gave an overview of the situation and the plans for the A4177 to Stanks Island, which will be signalised, up to the Wedgnock island which will be removed and the junction returned to a T-junction.

Councillors and members of the public raised concerns, including those listed below:

- The time it takes to drive from Old Budbrooke Road to Stanks Island during rush-hour

- The fact that the new layout appears to prioritise traffic from all other roads rather than from Old Budbrooke Road

- The removal of the “no right turn” into Budbrooke Industrial Estate

- Large number of traffic lights and pedestrian crossings required

- Traffic in Saltisford and through Warwick backs up and causes problems at Stanks Island; the situation won't be improved until this is resolved.

The scheme is due to start in summer 2017.

Declarations of Interest and Dispensations

None received.

Apologies and Acceptance of Reasons for Absence

None received.

Minutes of Last Meeting

The council resolved to accept the minutes of the meeting held on 3rd August 2016, with the following change (additional text in italics):

Item 14.1 Internal Auditor's Report for 2015/16: The auditor's report with the clerk's comments on implementing the recommendations had been circulated in June, with discussions postponed from the July meeting. *Three councillors requested these discussions be delayed until the External Auditor had responded to questions posed by Cllr Frank Roper due to the potential impact of these responses on the way the report is implemented. This was not agreed in the meeting and, following a lengthy discussion on this issue, Councillor Bryan proposed that the council accept the report.*

Police Matters & WRW Community Forum Matters

The next forum will take place on 22nd September at Shirehall. This will include a presentation on the Stanks Island proposals.

Playgrounds

The August inspection report had been received and circulated. Smashed glass had been found at Styles Close and cleared up by Martin Davies. A quote from Martin Davies to replace the rotten timbers on the slide at Montgomery Avenue had been accepted by the clerk, in conjunction with the chairman.

Montgomery Avenue play area – the clerk to obtain a quote to have the play equipment rubbed down and repainted and a quote to cut back, but not fully remove, the brambles behind the bungalows.

The sports fencing at the end of the Styles Barn playing field was discussed. Quotes had been received for the repair or replacement of

PUBLIC NOTIFICATION OF:

The Budbrooke Community Association CIO Annual General Meeting will be held on:

Date: Tuesday, 11th October 2016

Time: 7:30pm

Venue: Budbrooke Community Centre, Hampton Magna

At the AGM we will review the previous year's activities, as well as establish what we want to achieve going forward. It is also the meeting at which the Committee is elected/re-elected for the next year.

Please come along everyone is welcome. We look forward to seeing you there.

Charitable Incorporated Organisation registered in England with Charity Number 1155673

Hi Everyone

Hope you have all had a good summer break and enjoyed your holidays.

As you can see the storage build is well under way and last week the flooring was put in and hopefully the doors are going in next week. As many of you probably saw there was a gap in building in the holidays due to a wait on the floor from the suppliers once this arrived the builders cracked on with the brickwork. To outsiders I know it seems that this is taking a while but we have a contract with the company to complete the build and the sub-committee are happy with how everything is progressing. If anyone has any questions regarding this we will cover it later on the agenda.

The next plan for the refurbishment is to complete funding forms to enable us to apply for funding for the new entrance kitchen and refurbishment of the toilets.

Unfortunately I received an email from Rebecca our secretary advising that she wishes to stand down as secretary at the AGM I totally understand why and how I have managed to hold onto Rebecca for the last 3 years I will never know.

I will never be able to thank Rebecca enough for all she has done since she has been secretary and I couldn't do my job without her full support and knowledge.

She still wishes to remain on the committee and I am glad about that. However we desperately need to fill Rebecca's shoes as without a secretary we cannot continue as this is a regulation of the charity commission. Mike has had the electrician in to put a new fuse box in thank you for sorting that and will talk about this later.

The Parish show on Sunday was once again a popular event and thank you to all involved for all your hard work the committee really appreciate all the hard work that goes into putting on such a community event.

September is a busy month with the scarecrow competition this weekend Hannah has worked very hard and hope this will be a huge success.

We have a Quiz in October which Michael will tell us about later.

the fencing, but it was agreed that no action would be taken at present as complaints of problems and anti-social behaviour on the field had abated. Councillors are to pass on reports of any further complaints to the clerk.

Matters Arising

Stanks Island proposals – these were discussed at the start of the meeting

Planters for the barracks memorial area – information and outline costings from Cllr Hales had been circulated. Cllr Bryan produced the original planting plan dating back to when the memorial was constructed. Cllr Hales to provide an item to go into the next newsletter to ask for help with the planting.

TPOs – the request received concerned cherry trees and it was agreed that these would not be protected by WDC as they are short-lived. It was agreed to nominate the two poplar trees on Old Budbrooke Road by the gritting store and the trees at the end of Minster Close.

Email from HOTHRA about the roads in HOTH, circulated prior to the meeting. WCC Cllr Caborn confirmed that the traffic calming scheme is progressing, it is funded and it will be completed; a small team is dealing with over sixty schemes. No details of the scheme have yet been circulated and therefore it has not been approved by the parish council. It was agreed that money spent on resurfacing has been well spent.

Parking restriction for Hampton Magna – the chairman to write to the WCC Portfolio Holder for Transport and Planning, who will be considering the restrictions in October, to ask for a time-limited restriction to be considered.

Correspondence

Letter from Mike Snow, WDC Head of Finance, regarding cuts to the council tax support grant and concurrent services grant. Comments requested by 30th September 2016. WALC have proposed a phased in approach over three years rather than two years. The parish council will respond to object to the concurrent services grant cuts as a matter of principle – rural residents are being charged more for services than residents of the towns.

Complaint from a resident about heavy lorries driving through Hampton on the Hill - as the complaint had been passed to WCC officers by the clerk and to WCC managers by WCC Cllr Caborn, it was agreed that the parish council would wait for their response before taking any action.

Warwick WALC meeting on 5th October 2016 – details circulated prior to the meeting.

Parish Maintenance

Cllr Carol Roper confirmed that she would soon be replanting these for the winter.

Cllr Frank Roper gave an update on the Severn Trent works in the parish; all complaints have now been investigated. Cllr Roper will prepare an update for the newsletter and ask for any other issues to be reported.

Old Budbrooke Road - surface water and foul water are being sent into the same system. Cllr Frank Roper to report this to Severn Trent.

Branches on the cherry trees at the end of The Warwicks are dead or dying and unsafe. The clerk to report this to WCC/WDC.

Montgomery Avenue bungalows – bushes are overgrowing from the play area onto road and need cutting back. The clerk to ask Martin Davies to cut these back.

Verge mowing – cuttings are accumulating over drains and risk blocking them. WDC Cllr Phillips to look into this.

The clerk to check when the footpaths on the Dorchester Avenue and Chichester Lane loop will be resurfaced and ask when the closes will be resurfaced, as New Close is in need of resurfacing.

Matters Pertaining to Outside Bodies

Community Centre

Cllr Shirley read out the third report from BCA on the extension and expenditure from the grant awarded for the project by the parish council. No money has yet been spent from the parish council grant. The 10th parish show will take place on 11th September, the Scarecrow Trail on 24th – 25th September and there will be a second HM50 quiz at the community centre on 15th October.

BUDBROOKE CHARITIES

Budbrooke Charities is made up of two funds, one for under 25's in education or training, and one for people in need.

In the past awards have been given to young people in school, college or university for books, overseas trips, equipment, Outward Bound course, travel, sports competitions, and other training. The trustees will also consider offering bursaries, one-off payments to help with other costs.

If you would like to be considered for help from either fund, and you live in the Parish of Budbrooke, then please contact Kate at budbrookecharities@gmail.com, or phone 01926 493985
