Matters Arising

Hampton on the Hill proposed speed limit change – the Portfolio Holder for Transport and Planning considered the proposal on 17th February; a decision has not yet been published. ***Note – the proposal has since been approved***. WCC Cllr Caborn confirmed that he has asked for an update on the yellow lines on Blandford Way/Field Barn Road.

Telephone kiosk in Hampton on the Hill – the clerk has asked WCC Legal Services for their fees for reviewing the contract, should this be required. The clerk is to contact Barford Parish Council to ask about their experience of taking on a telephone kiosk in their parish.

Community Infrastructure Levy (CIL) plan – clarification on charity land matters has been received.

Centenary Fields application for Montgomery Avenue play area – all information requested has been forwarded to Fields in Trust and we now await the trust document for signing

Meeting venues – the community centre will be available for the January, March and November monthly meetings, with the other ordinary meetings held at the village hall

Correspondence

Chairman of Warwickshire County Council Open Evening – no councillors available to attend

South Warwickshire Clinical Commissioning Group (SWCCG) operational plan consultation – there are no concerns about the plan but there are concerns locally that GP surgeries will be combined, to cover larger areas with two surgeries rather than one surgery for a smaller area.

Hi everyone,

We have had a busy couple of months with fundraising events. The skittles evening organised by Caroline and Michael was a huge success which everyone who attended enjoyed very much. The food by Angela and myself was enjoyed by all and thank you to everyone who came and helped raise £322.

We then unveiled the completed wall. Gary with the help of others managed to take off the wall and then get it remounted in time for the 5th March and it looks fab. Well done Gary. £30 raised from tea/coffee & cake sales.

On the 11th March we had our second quiz 51 people attended and another fun night was had. Thank you everyone who came and the amount raised was £324. Thank you to Steve and Linda Price for setting the hard questions.

We have a EASTER Fun day on the 2nd April 2 till 4 and a Prize Easter Bingo on the 2nd April eyes down 7.30 which we will discuss later. Penny and Denny are once again going to entertain us with a cookery demonstration on the 25th April pay on the door.

I have set up an easy fundraising page and will put details on the Facebook page which anyone can use and raise funds for the community centre. This will also go on the website page once it's ready to go live.

WDC Cllr Phillips reported that the traveller camps that had been set up in the area over recent days were being moved on. Proposals for dealing with illegal encampments will be discussed by the WDC Executive on 8th March 2017. WCC Cllr Caborn is to provide details of how to contact Trading Standards to report traders who may be acting illegally. WCC is to organise a meeting of parishes to discuss the issue of dealing with illegal encampments.

Planning Matters

Current Applications

None received. It was noted that an application for prior approval has been submitted for change of use of buildings at Warboro Farm. The parish council cannot submit comments on this.

WDC planning decisions

W/16/2291 - Hampton View, Henley Road, Hampton On The Hill, Budbrooke, CV35 8QX: Erection of single story building with flat, green (living) roof linking the two existing residential buildings that comprise the property, Hampton View. Refused at committee.

Neighbourhood Plan and Local Plan Update

The chairman is arranging a public meeting at which the developers who are looking to build on the sites in Hampton Magna can give details of their plans. Cllr Caborn suggested that this is the time to put together a list of what the village wants - for example a new hall, improved access, paths or roads.

Detailed comments from the Planning Inspector on the Warwick District Local Plan are expected soon. The plan will go out to consultation a final time and will then go to council in July. The latest version of the neighbourhood plan is almost ready to go out to consultation; this will be a six week consultation.

Battle's Over – A Nation's Tribute 11th November 2018

In commemoration and remembrance of the end of the war and the many millions who were killed or came home dreadfully wounded, a chain of 1,000 beacons will be lit throughout the United Kingdom, Channel Islands, Isle of Man and UK Overseas Territories at 7pm on the 11th November 2018 – a century after the guns fell silent.

The event will also commemorate the huge army of men and women on the home front who, often in dangerous and exhausting conditions, underpinned the war effort - keeping the wheels of industry turning, bringing the harvests home and ensuring the nation did not starve.

Detailed co-ordination begins in April 2017, when a special *Guide to Taking Part*, similar to that produced for Her Majesty The Queen's Birthday Beacons on 21st April this year will be published. If any local organisations or groups are interested in organising or taking part in such an event, please contact the Parish Clerk and the Parish Council will help coordinate the setting up of the event. Contact details can be found on page 2 of this newsletter.

Budbrooke Neighbourhood Plan 2017: Further Forward

Warwick District Council has now had a response from the Planning Inspector on its modified Local Plan. The impact on Budbrooke remains the same. [www.warwickdc.gov/planning]

Budbrooke Parish Council will consult on its revised plan in April 2017, from 24th April to 9th June 2017. There will be an **Open Day on Sunday, 14th May in Budbrooke Community Centre**. You will have the chance to look at and comment on the plan. Further details will be included in the next Parish Newsletter and on our website where the updated version will be available to download. Hard copies will also be available.

For clarification, a Neighbourhood Plan must be consistent with the Local Plan; essentially it refines the Local Plan based on what Budbrooke wants. Also, when there is a development, the developer must provide funds or build in the key infrastructure (roads, sewers, etc.) but also pays a Community Infrastructure Levy (CIL) of which *the parish gets a percentage for local infrastructure projects*. We have made some suggestions in the Neighbourhood Plan, but these can still be revised. We don't want this money to be frittered away on the wrong idea or project. Give us your views, please.

Following this consultation, Budbrooke Parish Council will comment further on new matters raised, amend and publish a final document. Parishioners on the electoral roll will in time be asked to vote at a local referendum on that document.

Given the opportunities you have had to look at the plan and comment on it, and the considerable amount of time and effort people have given to devise a plan that we think works for the community, I think it would be unacceptable for it to fail at the referendum. So, ***please*** make your views clear **now**.

Mike Dutton, Chairman, Budbrooke Parish Council.
