On Woodway the fly-tipped mattresses have been removed but other items have been left there.

The footpath from Woodway to Church Lane is overgrown and impassable and a signpost is missing from the end of the path. The path needs to be identified on the definitive map.

The school want to tarmac the verge next to school fence on Styles Close to create a drop-off zone – Cllr Caborn advised that the Head needs to write to Education Services to request this.

Minutes of Last Meeting

The council resolved to accept the minutes of the meeting of the council held on 7th June 2017.

Police matters/WRW Community forum issues

The council noted the following incidents, which had been reported to police:

Attacks on boats on the Budbrooke stretch of the canal, including an arson attack

Trespass and anti-social behaviour on the school field, including lighting of bonfires, one of which required fire-service attendance.

The PCSO has advised that he will continue to increase the time he spends in the area and let colleagues know of the problems. The police have visited those trespassers who have been identified.

Playgrounds

Inspection report - the June report had been received and there were no issues for concern.

Matters at Styles Close play area/field:

Gates – due to the amount of work involved in installing wider gates, it was suggested that the council could look at fencing off the play area and removing the gates at each end of the path completely

The council accepted a quote of £225.00 plus VAT to cut back and remove ivy and other growth from the fence at the rear of the garden of number 9 Normandy Close which borders the Styles Close Playing Field

Update on quotes for work at Montgomery Avenue and Styles Close

Hedges

Now is the time to cut back hedges that are overgrowing. Please cut hedges and foliage back to the boundary of your property, particularly if it borders the footpath.

Thank you.

Maybe Budbrooke Charities can help you with the cost of books, tools, etc (we cannot help with tuition fees)

For more information email Kate at
budbrookecharities@gmail.com

– these have been requested and will be considered at the August meeting

Other issues at the play areas:

The clerk is to request a quote for cutting back ivy and brambles on the parish council's land at Montgomery Avenue which are affecting properties on Friary Close

The lack of fencing at Montgomery Avenue play area and the possibility that this is a safety issue was raised; the clerk advised that a hedge had been planted and then removed many years ago and this may have been due to a restrictive covenant on the land. The clerk is to investigate further.

Matters Arising

CIL hearing 6th July 2017 – the Chairman will attend to represent the parish council in discussions. Other councillors are encouraged to attend. Only one representative of the parish council can be involved in discussions at any one time, but “hot seating” is allowed if others wish to speak about particular issues. The chairman will argue for retention of the higher CIL banding for Hampton Magna.

Telephone kiosk in Hampton on the Hill – Cllr Hales has met with interested residents, who have concerns that it could be vandalised again, as it has been in the past. The suggestion is to improve the outside first; the group are happy to carry out the work with the parish council providing the materials. The council resolved to sign the contract with BT to take on ownership of the kiosk.

WW1 Commemorations – the correspondence from St Michael's PCC had been circulated and the church's invitation to hold the ceremony on the church field, using a beacon rather than a bonfire, was welcomed. The church wishes to be involved in some way with the event.

Centenary Field application for Montgomery Avenue play area - Cllr

Hales is to review the deed of dedication.

HOTHRA correspondence regarding the parish council's support for the traffic calming scheme proposed for Hampton on the Hill was noted.

Correspondence

LGBCE (Local Government Boundary Commission for England) Review of Warwick District Council Boundaries – email received from Graham Leach, WDC Deputy Monitoring Officer. The review will start in November 2017. The council is invited to send representatives to a briefing on 7th August 2017.

Coventry Airport Consultation – the council agreed to respond using the points raised by a local resident who had shared his comments with the parish council.

Parish Maintenance

It was noted that WCC Highways has advised that the problems reported at the June parish council meeting will be rectified and that a post will be installed on the pavement near the school entrance on Styles Close to prevent vehicles driving on the footpath.

Matters raised:

Footpaths on Chichester Lane, Cherry Lane and Slade Hill are in a poor state of repair. A walk-around with a WCC Highways officer of these areas of the village has been requested

Hedges overgrown around the village – item to go in the next newsletter

Speed limit sign outside No 1 Damson Road is tilting

The council approved a quote from Martin Davies for verge repair on Field Barn Road, including soil and reseeding - £175.00 plus VAT.

Matters Pertaining to Outside Bodies

Community Centre – volunteers had a stall at the school fete which raised £45.00. The next meeting is on 11th July 2017.

Village Hall – Nothing to report this month.

Union pay claim for 2018/19

The pay claim document from the trade union side of the National Joint Council (NJC) for Local Government Services had been circulated prior to the meeting, along with information from the clerk on the current banding of the clerk's role. Following a discussion, the council agreed to review the clerk's salary.

Authorisation of payments

The month's payments were authorised and the payment authorisation sheet signed off.

Date of next meeting and items for the agenda

Next meeting: Wednesday 2nd August 2017 at Budbrooke Village Hall, Hampton on the Hill.

Agenda items: Review of the clerk's salary.

Grants policy

WDC Cllr Rhead advised that, as his portfolio now includes responsibility for gypsies and travelers, he will be holding a special planning forum meeting for town and parish councils and asking for positive suggestions on how to resolve the problems of unlawful encampments. The transit site planned for the district will not be available for another five years, so these problems are likely to continue.

Hi everyone

Unfortunately at the last meeting we had to cancel the talent night due to lack of support. Dave Shirley did write a piece for the parish magazine to ask for ideas that people might like for the community centre to put on to date we have not received any proposals.

Dave and Sue Shirley manned the school fete stall for the community centre and raised £42 our thanks go to both of them for giving up their time. Also thank you everyone who supported the stall.

Our next two events are the Parish Show on the 10th September and the Scarecrow Competition on the weekend of the 23rd September these two events take a lot of hard work and we hope that everyone will support them details are in the parish magazine we will discuss in more detail later in the meeting.

Today I put the details of the easy fundraising page on the community centre Facebook page, hopefully everyone could share this so that we can let lots of people know about it and can start purchasing through it.

We are also ready for the virgin money giving page to go live we just need to discuss how best to do this to get full impact
