Public comments

Four members of the public were present. The following matters were raised and will be reported to the appropriate authorities:

Water leak outside 4-6 Lloyd Close

Slabs outside the school entrance on Styles Close are breaking up again; the problem is exacerbated by vehicles turning in that area and a post on the pavement could help to prevent this.

Street lamps out on Field Barn Road – numbers to be passed to the clerk for reporting to WDC

Apologies and acceptance of reasons for absence

Apologies received from WDC Cllr Peter Phillips.

Declarations of Interest and Dispensations

None received.

Minutes of Last Meeting

The council resolved to accept the minutes of the annual meeting of the council held on 3rd May 2017.

Police matters/WRW Community forum issues

Cllr K Dutton reported that the local Neighbourhood Watch is still active and a meeting had been held the previous week.

Concerns were raised about people driving round the village collecting scrap, as items not intended for collection are being taken. A notice is to be included in the next newsletter advising residents not to leave items out for scrap collectors.

Playgrounds

Inspection report - the May report had been received and there were no issues for concern.

Styles Close play area

The gates at the Styles Close play area have been altered so that they once again open outwards only. The clerk has received useful information from the Green Spaces team at WDC on play area gates and safety. The clerk is to obtain quotes for replacing the gates, which may require altering the fences.

A resident of Normandy Close has complained to the clerk about ivy and foliage from the playing field potentially damaging her fence; a quote for cutting this back has been requested from Martin Davies.

Quotes

The following specifications were agreed for quotes for work at the play areas:

Montgomery Avenue

To cut back the brambles and smaller trees at the Montgomery Avenue play area: The area behind the two bungalows – 3 sides back of the bungalows, along the fence between the bungalows and Montgomery Avenue Houses, and along the side of that house; to cut down and remove brambles to leave approx. 1 – 1.5 m in place. Also, to continue with this down the side of the bungalow to a point where it begins to recede. To cut down the smaller ash trees, mainly those with low level branches but leaving any substantial trees. A representative of the parish council will meet contractors on site to clarify any matters.

HAMPTON MAGNA NEIGHBOURHOOD WATCH

The Hampton Magna Neighbourhood Watch Scheme is still active and notices are sent to members by email.

If you are not a member and would like to join, please contact Mike Dudfield at mikehmnhw@hotmail.co.uk

Newsletter Survey

Would you be interested in receiving your monthly newsletter by email?

To vote please go to the website and complete the simple form.

Don't worry the paper version will still be available!

The results of this survey will be considered by the council and if the option to receive the newsletter by email is offered, there will be a facility to sign up via the website.

Dear Residents,

Our community centre committee, lead by chair person Julia Smith, have been working hard fundraising and getting work done to improve the building for the residents of Hampton Magna. Unfortunately a recent event (Budbrooke's Got Talent) had to be cancelled as there was not enough interest. So I would like to ask for ideas for future events from everyone, young and old. We have the facility to put on all sorts of events and as the saying goes 'use it or lose it'. You can get in touch with any member of the committee or to myself on dasienny@aol.com or 715092, with your ideas and I along with the committee will discuss them at our monthly meetings. Can I also take this opportunity to remind you of our Parish Show in September. Details of the classes are in this newsletter. I am very proud of this event, now in its 11th year, as it brings the whole community together. Let's make this year the best ever.

Thank You
Dave Shirley

Styles Close

To move the existing goal posts approximately twenty-five feet in towards the centre of the field and make good the resultant holes and the damaged play area.

The erection of a 6ft close board or similar wooden fence along the school field side of the land now leased to Budbrooke Parish Council enclosing the south side of Styles Close Play area, clearing the brush and brambles contained therein, making a gate opening in the existing fence all in readiness for the parish council to further develop the area.

Matters Arising

Telephone kiosk in Hampton on the Hill – Cllr Hales is working on the proposed terms of reference for volunteers and for parish council support for maintaining the kiosk and will report to the next meeting.

Barracks memorial – the chairman has looked into the possibility of obtaining a grant but these are only available for work on war memorials. The area has been weeded and is ready for planters. A budget of £500 was agreed for filled planters, one either side of the memorial. Cllr Treacy will circulate a selection of styles and colours for the council to choose from.

The **Hampton on the Hill traffic calming scheme** will go ahead as set out in Highways proposals discussed at the May parish council meeting.

Correspondence

The following items of correspondence were noted:

Email from Izzi Seccombe, leader of WCC, confirming management and leadership arrangements of the council.

DCLG advice note – Communities supporting one another. Letter to be added to the website.

To note the email from Graham Leach, WDC Deputy Monitoring Officer, advising of delays to the boundary review due to the general election.

Request from CJ's Events to use the Styles Close playing field for a community fair in September. Representatives of the company were unable to attend the meeting to give details of the planned event and have been invited to the July meeting.

To consider the council's response to the following items:

Coventry Airport Consultation – Cllr Treacy plans to attend the open day on 21st June 2017 and will report back to the next meeting.

WDC Modifications to the Draft Charging Schedule for the Community Infrastructure Levy – Hampton Magna has now been identified as a zone D village, which attracts a higher CIL rate. The chairman's comments on the CIL, circulated on 25th May 2017, re to be submitted as the council's response to the consultation.

Notification of CIL Examination – the clerk to confirm that a representative of the council will speak at the hearing.

Parish Maintenance

The following matters are to be reported to the appropriate authorities:
The pavement between Old Budbrooke Road and the Warwicks is in very poor condition and could be dangerous.

The new tarmac and yellow lines are breaking up outside 7 Arras Blvd.
The clerk is to thank WCC for the resurfacing of pavements on Chichester Lane and Dorchester Avenue and to request a walk-round of the village with a Highways officer, to see other pavements in need of resurfacing towards the centre of the village.

Pot holes on Woodway and on Church Lane outside the old vicarage.

Fly tipped mattresses on Woodway in the layby half way along the road.
