Present: Cllrs K. Dutton, M. Dutton, R. Hales, A. Robey, C. Roper, F. Roper, D. Shirley and M. Treacy; WCC Cllr Les Caborn

Election of Chairman and signing of declaration of acceptance of office

Cllr Mike Dutton was elected Chairman, having been proposed by Cllr A. Robey and seconded by Cllr D. Shirley. The declaration of acceptance of office was signed.

Election of Vice-Chairman

Cllr David Bryan was elected Vice-Chairman in his absence, having been proposed by the chairman and seconded by Cllr K. Dutton.

Public comments

9 members of the public were present. The following matters were raised:

Overhanging hedges – a reminder to cut back hedges was included in the May newsletter which has just been delivered, so the council will wait to see if this has an effect.

Recent tarmac repairs on Chichester Lane area footpaths don't appear to be professionally completed – WCC Cllr Caborn to enquire about this.

The dog waste bin at Montgomery Avenue play area is broken and needs replacing – the clerk to report to WDC.

Dog fouling in on public rights of way through the fields around the parish is becoming a real problem - the clerk to contact the dog warden to see if anything can be done.

Apologies and acceptance of reasons for absence

Apologies received and accepted from Cllr D. Bryan and WDC Cllr Peter Phillips.

Declarations of Interest and Dispensations

None received

Minutes of Last Meeting

The council resolved to accept the minutes of the meeting of the council held on 5th April 2017

Dates and venues for council meetings for the year ahead

The list of dates and venues, circulated prior to the meeting, was agreed. Meetings will continue to be held at 8pm on the first Wednesday of each month, alternating between the Village Hall and the Community Centre.

Appointment of members to council working groups

The following appointments were agreed:

Neighbourhood plan group – the chairman, Cllr F. Roper and Cllr M. Treacy

Emergency planning group – Cllr K. Dutton

Newsletter and website group – Cllr Hales

Appointment of members to outside bodies

The council agreed to continue as at present, with the same members on the committees:

Community Centre Management Committee - Cllr D. Shirley

Village Hall Committee – Cllr R. Hales

Budbrooke Charities – Cllr A. Robey and the chairman

Review of standing orders and financial regulations

These will be reviewed at the December 2017 meeting.

Public Comments

Peter Gogerly of Hampton on the Hill Residents Association raised the following issues and requested that the parish council consider these issues during the coming year: traffic calming measures for Hampton on the Hill and the need to slow down traffic through the village; repair of the footpaths around the village which are in poor condition, and the need for a haul route to the new development in Hampton Magna, to avoid the need for construction traffic to drive through Hampton on the Hill. The Chairman confirmed that these matters were noted and that the council would support the building of a haul road but could not guarantee that this would take place. WCC Cllr Caborn confirmed that developers might contest such a request but this matter would be addressed at the appropriate point in the future, once plans have been submitted.

Guest Speaker

Sam Slemensek from WCC Community Safety Team gave a presentation on cyber crime.

company called “Everyone Active”, who have successfully tendered to run the centres for the next 10 years, and who will be very attuned to meeting the needs of the community to remain healthy and fit. Facilities in Kenilworth will be for review later, probably in 2018.

Thirdly: There have been considerable issues around unauthorised encampments by travellers. Extensive camps over Christmas and the New Year, and since then, have left to considerable public disquiet about the mess left behind. We have been working with the Police & Crime Commissioner, Philip Seccombe, to develop a Countywide approach as to how to handle these sites, but in the meantime as a District Council we have agreed to invest £180,000 into hardening our public spaces to make these areas less prone to these encampments.

Key areas for the year ahead include:

Conclusion of the Local Plan as outlined above.

The development of a new car park strategy for Warwick and Leamington as Linen Street and Covent Garden Multi-Storey Car Parks reach the end of their useful life.

A new and smaller set of council offices will be built alongside the Covent Garden car park, enabling the current Riverside House (WDC’s HQ) to be replaced by additional housing.

Proposals for a new football stadium for Leamington Football Club along with community facilities on the Europa Way/Gallows Hill site.

As always, myself and Cllr Alan Rhead are happy to take calls or emails throughout the year, and to meet residents at Parish Council meetings, to discuss any issues or questions that they may have.”

WDC Cllr Peter Phillips

Council policies and procedures

Complaints Policy – review to take place in June 2017

Records Management Policy, including Document Retention Schedule – review to take place in July 2017

Grievance Procedure – to be reviewed as and when new advice is received or a new model policy issued by WALC/NALC

Lone Working Policy – to be reviewed as and when new advice is received or a new model policy issued by WALC/NALC

Requests made under the Freedom of Information Act and Data Protection Act

Press/media

On the final two matters, the council’s policy is to follow advice from WALC or the relevant organisation, ie, Information Commissioner’s office; this policy was confirmed for the current year.

Review of asset register

The asset register will be reviewed as part of the year-end accounts at the finance group meeting on 22nd May 2017 and at the June parish council meeting.

Police matters/WRW Community forum issues

The next forum will take place on Thursday 28 September 2017 at Shirehall.

Playgrounds

Inspection report - the April report had been received and there were no issues for concern

Review of playground inspections – it was agreed that the council wishes to continue with the current arrangements for weekly playground inspections by Martin Davies.

Gates at Styles Close play area – the gates no longer swing close since the hinges have been altered and this represents a safety issue. The clerk is to ask Martin Davies to alter the gates to restore them to their original state, opening outwards only. The clerk to ask WDC if they can provide

any advice and Cllr Treacy to investigate the gates at Barford play area. Wider gates may be required.

Matters Arising

Traffic calming proposals for Hampton on the Hill, circulated in March 2017

The chairman confirmed that the proposals were in line with what had been discussed at the meeting with WCC Highways in December 2015. The parish council supports the proposals.

Telephone kiosk in Hampton on the Hill

Cllr Hales had spoken to some residents of Hampton on the Hill to ascertain whether there is support for retaining the phone kiosk. The general consensus is that residents want to retain the phone box and some would be willing to volunteer to maintain it but would like to know what will be required and what support the parish council will provide. Cllr Hales is to put together a proposal outlining the terms of reference for volunteers and the level of support to be offered by the parish council, for discussion at the June meeting. The clerk is to forward to Cllr Hales the emails from Barford Parish Council relating to their phone kiosk.

Correspondence

The council noted that a new Tree Preservation Order has been confirmed - TPO 520: North East corner of field adjacent to Clinton Avenue & Arras Boulevard, Hampton Magna. A letter of thanks from local residents for the council's support for the TPO was also noted.

The village hall has circulated details of a price rise from January 2018 – the hourly cost for hire will be £13.00.

Cllrs F and C Ropers advised that they had responded to a request for feedback about the WALC Annual Event in March.

Parish Maintenance

Barracks memorial: the lettering needs to be re-gilded - to be followed up with Cllr D. Bryan as he had the contact for this work; Cllr M Treacy to

Sustainability and Transformation Plan

The STP is designed to get all partners in the health system working together, and reduce escalating costs to make health and social care affordable longer term.

So far in Warwickshire a difficult start but progress is being made somewhat slowly. WCC is a vital partner in this along with our boroughs and districts.

WCC Cllr Les Caborn

District Councillor's Report

I want to report back on three major initiatives within Warwick District over the last year.

The first one is to get the Local Plan through the Examination In Public. With the Inspector having previously indicated he would reject the original proposal as being “unsound”, WDC made amendments to the original plan, largely to meet the “unmet need” of Coventry. In total more than 4,000 houses were added to the Plan. The Plan went through its Examination In Public in Autumn 2016 and the Inspector has now advised the Council of some suggested amendments – mostly of deletions of sites within the Green Belt. Currently these amendments are out for public consultation until the 5th May and all residents are welcome to put their comment in. Full Council will probably be asked to approve the revised Local Plan in mid-Summer 2017.

The second major initiative is the investment of £15 million in upgrading the St Nicholas Park and Newbold Comyn Leisure Centres. Both Centres were getting towards the end of their useful life and this new investment will provide modern leisure centres meeting the needs of the communities for the next 30+ years. They will also be managed by a

Education

Invested extra £1m in home to school routes;

bring quotes for planters to a future meeting
Cllr C Roper will re-plant the village planters ready for the summer

The following matters to be reported to WCC Highways:

Drain on Old Budbrooke Road by the Warwicks is collapsing and the kerb
stone has dropped – the clerk to advise WCC Highways

The small 40mph sign on Church Lane needs to be repositioned or
straightened

The sign for the church at the bottom of Church Lane needs to be altered
and to be tightened as it regularly moves out of place

Tree on Old Budbrooke Road on the right in the direction of Hampton on
the Hill needs to be cut back

Matters Pertaining to Outside Bodies

Community Centre – The Pudding Night unfortunately had to be
cancelled; on 17th June 2017 “Budbrooke’s Got Talent” evening will take
place.

Village Hall – Forthcoming events include a film night on 19th May 2017:
I, Daniel Blake.

Planning Matters

Current Applications

None received.

To note applications considered between meetings

W/17/0486 - The Old Chapel, Henley Road, Hampton On The Hill,
Budbrooke, Warwick, CV35 8QX: Erection of a detached garage after
demolition of the existing garage.

No objections but request that reclaimed materials are used so that the
new build is not out of character with the Old Chapel, and that further
modifications are considered in relation to the neighbourhood plan.

W/17/0056 – A4189 Junction, Hampton on the Hill: Erection of single building consisting of four wooden stables.

No comments submitted

WDC Planning decisions and withdrawn applications

W/17/0323 - 2 Hatton Terrace, Birmingham Road, Hatton, Warwick, CV35 7JS: Erection of two storey front extension and single storey rear extension.

Application withdrawn

W/17/0141 – Warboro Farm, Henley Road, CV35 8QX - application for prior approval for change of use from agricultural building to 2 no. dwelling houses.

Granted

Neighbourhood Plan update

The consultation and drop-in event at the community centre on 14th May 2017 have been advertised around the parish and on the website. The open meeting on the proposed developments in Hampton Magna is arranged for 8.15pm on Wednesday 10th May 2017 at Budbrooke Community Centre. The chairman gave an outline of the format of this meeting.

The grant has now been received for the final stages of the plan, including the second consultation.

Newsletter and Website

The local police numbers are to be added to the newsletter; they used to be included but have been taken out in recent months.

A short discussion took place on delivery of the newsletter and whether a hard copy was still required for every household or if an email version could be subscribed to. The clerk to speak to Ian Broadbridge about the possibility of a survey on the website to ascertain whether there is any interest in an email version.

Parish Council have once again given their full support when needed. At last the long-awaited storage space has now been completed. The next projects will be replacing the roof, moving the kitchen and main entrance and refurbishing the toilets.

Cllr Dave Shirley

County Councillor's Report

Budget

We have faced up to the challenges of reducing budgets by ensuring the county council is efficient as can be. We have reduced directors from 10 to 4, and heads of service from 58 to 16 whilst reviewing every post. We share work with and work for other authorities .

Council tax set at 1.99%. +2% ring fenced for social care for 2017-18.

We have straightforward objectives:

Building Warwickshire's economy by supporting and attracting business to grow jobs and investing in skills and education; looking after those who are vulnerable, by supporting people to be as independent as they can be for as long as possible.

Children's and adult care and safeguarding

Opened MASH - the Multi Agency Safeguarding Hub pulls together police, health, social care and all partners to safeguard and protect all by operating together;

Recruiting 40 additional children's social workers to reduce caseloads;
Formed Children's Transformation Board to give seamless support to children and families from 0 to 18;

Built extra care housing for supported living for the vulnerable;

Transformed domiciliary care to give more contact time;

Formed joint reablement service with SWFT;

Received £20 million over 3yrs from government extra funding for older people.

Community Centre Report

Budbrooke Community Association (CIO) had another good year. New members joined the committee to make us strong and active. The committee worked hard and gave their free time to keep the community centre open for business.

The centre has many users and the diary is looking good for the future. Julia Smith (chairperson) works very hard behind the scenes with meetings etc, Julia values her members on the committee very much. During the year we said farewell to Rebecca Hilliar (secretary) after many years on the committee. Our new secretary is Linda Price a long serving servant to the parish over many years.

The committee have held events throughout the year to fundraise for our community centre funds. Some of the events held during the past year include a family & prize bingo, cookery demo, quiz evenings, Easter fun day. The new wall of names in the main hall is finished and we held a pleasant afternoon for residents with refreshments to view it.

I would like to thank everyone who has added their names to the wall for a lasting 'piece of history'. Looking at the wall there are many names of residents no longer with us but who were an intrinsic part of our community and it is nice to remember them.

The Hampton Magna 50 celebration year was concluded in a wonderful night in conjunction with our church, singing carols and drinking mulled wine along with mince pies with most of Hampton Magna in attendance.

The annual parish show was once again a success and a wonderful event. It brings plenty of support from the residents, with many taking part. Organisers Dave Shirley, Enid Bryan and Fran Salmon say thank you, and will be back again this year on Sunday 10th September.

Once again I give a big thank you and I am pleased to say that Budbrooke

NCT, Bowen Therapy, St Michael's Church, Budbrooke Parish Council and WDC Elections. Sadly we no longer have the Guide Movement as the Unit has closed. The hall is also used regularly at weekends for children's parties.

At the last Village Hall Committee meeting it was agreed by members to increase the hiring costs of the hall by £1 per hour for all users.

Over the last year, the hall has been completely redecorated, the toilets enhanced with new fittings and the heating control unit and extractor fan have been replaced in the disabled toilet.

The committee investigated the addition of a hearing loop system in the Hall. With input from Cllr Robey regarding alternatives to the dated hearing loop technology, a new wireless sound system has been installed at a cost of £2,379.12. This was purchased by the Village Hall including a £1,000 grant from the Warwickshire Rural Community Council.

The Committee is very proud to have achieved the Hallmark 1 Certificate. This means the Committee has successfully met specific standards required for the accreditation. This Standard is awarded by the Warwickshire Rural Community Council. The recognition allows us to state on our stationery and other funding applications of this award with the appropriate logo. Other benefits include lower insurance premiums with a reduction of £72 this year.

In 2016 we held 5 Film Nights, 2 Skittles Evenings and the British Legion's Remembrance Sunday Lunch.

The Committee would like to thank all of those who regularly support the Village Hall and its activities.

developments.

It only remains for me to thank my fellow councillors, our County and District Councillors who have been assiduous in their support for the parish, and our clerk, Alex, who again has been diligent providing excellent professional support.

Cllr Mike Dutton

Chairman of Budbrooke Parish Council.

Budbrooke Charities Report

Like many places, Budbrooke has charities aimed at helping residents. However, charities are restricted to provide according to their charitable objectives. In Budbrooke, the first objective is educational, for those under the age of 25, and the second objective is to give support to individuals and families which are in *particular* need.

In 2016, some 12 applicants were given educational awards, making a total of just over £5,000. Over £800 was given to people and organisations that met the requirements of the second objective.

All enquiries are dealt with confidentially. The decisions made by the trustees is final. Contact details are in the parish newsletter. If you think you are eligible contact the secretary by phone or email - it is always worth asking.

Cllr Mike Dutton

Village Hall Report

The Committee remains unchanged in the last twelve months with eight members, as per the Constitution.

The users of the Village Hall remain consistent, as in previous years, namely: Milverton Folk Dance Group, Over 60's, Art Class, Tai Chi, Pilates,

We saw the potential closure of the Montgomery of Alamein pub, and its resurgence with new tenants who have made substantial changes and brought new life to our local.

Both playgrounds have been checked weekly, had maintenance work done and are generally in good order. The Montgomery Avenue site is being designated as a Centenary Field in Trust, which will mean additional work, but an assurance that it will not be developed.

Twenty-one planning applications were viewed and comments were made to WDC Planning Department.

The County Council's plan for Stank's Island at the A46/A4177 was reviewed and comments relayed to WCC. We commented on several consultations, e.g. the local minerals plan.

Our bus route has been reduced to hourly, and we have made representations to WCC and StageCoach, but the number of users remains an issue.

WCC have been asked to consider appropriate action in respect of rail users parking in Blandford way. WCC plan to reduce the speed limit alongside the allotments from 60 to 50 mph following discussion with HOTHRA and the Parish Council.

Tree Preservation orders have been placed on a number of local trees that meet the requirements.

The Red Phone box in Hampton on the Hill is being considered for maintenance and retention.

Last, but not least, the Budbrooke Neighbourhood Plan has been updated and is currently open for public consultation; the final document will be put to a local referendum. If successful it will form an integral part of planning requirements when applications are made for

Minutes of Budbrooke Annual Parish Meeting held on Wednesday 17th May 2017 at Budbrooke Village Hall

WCC – Warwickshire County Council; WDC – Warwick District Council

Minutes of the 2016 Annual Parish Meeting

The minutes of the Budbrooke Annual Parish Meeting, held on 27th April 2016, were approved.

Annual Reports 2016-17

Reports were read out from the Chairman of Budbrooke Parish Council, district and county councillors and local groups. Reports from the district and county councillors were summarised.

Chairman's Report

The idea of an annual report is to give an overview of the work the Council has undertaken over the last year, which was quite busy.

Our community has the benefit of a well-developed Community Centre and Village Hall, both run by their own Management Committees and both offering quite different facilities for their users. The Community Centre, however, has the Parish Council as its Custodian Trustee so this Council has a greater direct responsibility to its continuance. This being so, the Parish Council has provided funds so that the Management Committee can upgrade the building and maintain the resource for the community. This was helped by the Hampton Magna 50 celebrations, where a small group of people, led by Richard Lyttle, arranged several events and activities including bulb planting and a memorial bench.

Another group, led by Cllrs Treacy and Hales, worked on improving the Barracks Memorial in Blandford Way.

On a different tack, following pressure from the PC, gas main and water services were tackled by the appropriate companies, and although these lasted most of the year they are now complete, I hope!

Supermarket Email Scams

An increasing number of residents have received emails claiming to be from supermarket chains.

One email claims to be 'Tesco', asking for a confirmation of payment for a recent online order. The email is received despite no online order being placed.

A second example claims to be from Sainsbury's 'Inspired Rewards' service, whose system is being upgraded. The email then provides a link to customers who need to purchase any online shopping essentials quickly before the update begins.

Once you click on the links, the emails will ask you to pass over information, mainly your bank details.

In such cases, do not click on the links in the emails, and delete the messages from your inbox.

Budbrooke

Neighbourhood Plan Consultation

- 100 statutory and other consultees have been contacted for their views.
- 170 people [about 10% electoral roll] attended one or other of the events on 10th and 14th May.

Everyone in Budbrooke is entitled to comment on the detail in the plan. This must be done in writing or electronically and sent to the Clerk (see page 2) by **noon on 9th June 2017**.

Hard copy documents are available to view at the Open Door, the medical centre and Costcutter in Hampton Magna and at the Community Centre and Village Hall.

Copies of the plan, representation forms, notes of and a presentation made at the 10th May meeting can be viewed or downloaded from the ***Budbrooke Parish Council website***.
