Calendar for 2019

Budbrooke Community Centre is looking to produce a calendar for 2019 with photos of local views.

This may be of a place/point of interest within the Parish or a view of a landmark from the Parish (i.e. St Marys Church in Warwick). I

t could be a series of the same view in different seasons, October 2017-September 2018, hence the timescale.

Old photos are more than welcome. This could be a final chance to get some views from Hampton Magna to the East or South before the new houses are built, possibly from Autumn 2018.

Contact Andy Thomas on 01926 495461 or 07900 673634 or at artommo@hotmail.com for more details or to send your photos .

Traditionally reared, farm fresh Christmas Produce

Since the day we started farming in 1983, Heart of England Farms have been rearing poultry in the way that people expect – by traditional methods. Our customers can be assured of a supreme Christmas bird, produced to the highest standards of food safety and animal welfare.

Our free range bronze turkeys and geese, cockerels, ducks and barn reared white turkeys are all brought onto the farm as day olds and traditionally reared.

The open fields used to house our free range bronze turkeys are perimeter fenced, however this is to keep the wily fox out rather than keep the turkeys in!

The geese are able to wander at will being allowed acres of space for grazing.

If not your first choice for Christmas Day, our delicious cockerels and ducks

are ideal for your New Year celebrations or a forthcoming special occasion. Please contact us for our no obligation Christmas information pack and order form.

Have you seen your bird? Our free range flocks can be seen from the A4189 between Warwick and Henley – In-Arden.

Do you represent a butcher or farm shop? We supply all our Christmas birds wholesale – bespoke labelling, pre priced, batched and delivered when you want them!

Everyone
loves our
Turkeys!

The racking in the storage space is now fully installed and being used. Thank you to Caroline and Michael for taking delivery of this and to Rob Middleton for installing it. So nice to see the storage area built and finished - well done to everyone for all the hard work.

I would like to thank Dave, Fran, Enid and Dave for all the hard work they did to put on the Parish Show on Sunday 10th. It is very much appreciated by the committee. There were some lovely exhibits on show.

Every Sunday from 17th September Montys Bar and Grill are having a Car Boot Sale and coffee morning with £1 from every pitch being donated to ourselves (BCA) and Budbrooke School. I would like to take this opportunity to thank JP for doing this for the Community Centre.

Our next event is the Scarecrow competition on 23rd Sept and I hope you all have your scarecrows ready.

Traditionally reared, farm fresh Christmas Produce

Our local farm fresh free range Kelly Bronze turkeys, free range cockerels (as seen on 'Food Unwrapped' with Jimmy Doherty), free range geese, barn reared white turkeys and ducks are guaranteed to delight!

Chairs report

Welcome back after the summer break and I hope some of you managed to find some sunshine.

Behind the scenes in the summer Linda, with a bit of help from myself and Alex, has been busy completing the WREN funding bid. This is for the next Phase of the refurbishment of the Community Centre which is for the new entrance, lobby and new kitchen. This was submitted for the deadline (23rd Aug) and then WREN asked for additional information which has now been submitted. Myself, Linda and Alex along with supporters attended the Parish council meeting on 6th Sept to ask if they would support our bid and contribute £ 13,552 (which would cover the necessary third party contribution plus additional build costs) out of the ring fenced money that is put aside for the Community Centre every year from the Parish Council Precept. This is raised because the Parish council own the building and are ultimately responsible for it; we as the voluntary management committee run it on their behalf. After half an hour of answering questions from Parish Councillors it was put to a vote and agreed that we could have the amount of £13,552. However, two Parish Councillors objected and one abstained from this vote on a matter of Parish Council protocol – that they did not have enough time to scrutinize the request or bid.

As you can imagine we were very pleased that the majority of the Councillors support what the Community Centre is trying to do with the building and sees and supports the need to update it if we want it to be used 7 days a week. The Centre is currently being used all day every Monday-Friday and most evenings and weekends.

If anyone in the parish would like any further information about what the Community Centre does or what the refurbishment plans are please do not hesitate to contact myself Julia Smith or any member of the committee.

DETAILS WILL BE PUT INTO THE PARISH MAGAZINE PLEASE TAKE A LOOK
