The council considered quotes received for the larger jobs at the play areas. Three quotes had been sought for both jobs, in line with financial regulations:

### **Montgomery Avenue**

To cut back the brambles and smaller trees at the Montgomery Avenue play area: The area behind the two bungalows – 3 sides back of the bungalows, along the fence between the bungalows and Montgomery Avenue Houses, and along the side of that house; to cut down and remove brambles to leave approx. 1 – 1.5 m in place. Also, to continue with this down the side of the bungalow to a point where it begins to recede. ### **Local Plan Update**

WDC Cllr Peter Phillips gave an update on the plan. The planning inspector has found the plan sound. Final checks are being undertaken and the final plan will go to full council on either 6<sup>th</sup> or 20<sup>th</sup> September 2017. This should mean that the developments planned for Hampton Magna will be included in the plan.

### **Neighbourhood Plan Update**

Consultation responses have been considered and changes made as appropriate. The group is looking to present the plan to the parish council at the September or October meeting, for approval. The next step would be to refer it to WDC for a further consultation, the results of which go to the planning inspector.

### **Grants Policy**

A lengthy discussion took place on the updated draft documents circulated on 23<sup>rd</sup> July 2017. The discussion included the general principles of grant policies and the possibility of consulting potential applicants such as BCA and the village hall committee. The chairman raised concerns that the draft policy involved the parish council too closely in the management of organisations and projects. To be further discussed at the next meeting once councillors have had more time to consider the amended draft policy in detail and the comments made so far.

### **Clerk And Responsible Finance Officer Recruitment**

The job description and person specification have been updated, to be forwarded to applicants on request. An advert has been published on the website and in the newsletter and via WALC. To date, two enquiries have been received. Arrangements for interviews discussed under item 15.

### **Newsletter and Website**

The results of the newsletter survey had been collated: 8 responses received, 6 in favour of receiving the newsletter by email; 2 not in favour. No action is to be taken as a result of the survey. The Shoppa Hoppa bus information is to be added to the newsletter and website.

### **Financial Administration**

Bank balances: Investment Account £54,583.43, Current Account £46,612.38

### **Conclusion of External Audit**

The external auditor has signed off the external audit report in the annual return for 2016/17, with no qualifications or accompanying statement. The chairman noted that, given that the internal and external auditors have signed off the annual return, this confirms that the council is acting appropriately in financial matters and has appropriate controls in place.

Members of the public were asked to leave the meeting before the following items were discussed:
