Bench on the Green

Villagers may have noticed that the garden bench on the corner of Hampton Rd and Old School Lane has been refurbished and is looking rather splendid! The seat on the green was originally donated by the Budbrooke Village Hall 14 years ago and was looking very tired and green.

The refurbishment was undertaken by a local craftsman, Peter Selby, who trades under the name Alive Oak.

He very kindly offered to complete the work to our bench for free in exchange for a few words in this publication in the hope that residents of the village would see what can be achieved when garden furniture is given a little TLC.

We are very grateful to Peter for the kind donation of his time and effort.

If you would like to contact Peter at Alive Oak, please email peterselby@aliveoak.co.uk or call 07702 861924

Hi everyone

Well what a busy couple of months it has been. The kitchen and new entrance are nearly finished and I must say it looks fantastic quite a transformation from what we have had for the previous years. The doors should be fitted soon. A big thank you to everyone on the committee for all their hard work from helping getting the funding keeping an eye on the build fundraising to help buy new equipment and the subcommittee for the extra hours needed to get to where we are now. We have managed to purchase a new dishwasher, oven, microwave and hot water heater all with funds raised by the hard work the committee have put in and with the support of everyone attending the events.

The other fantastic news is that we have been successful with our rucis bid for a new roof suspended ceiling in the main hall new lighting and new doors into the main hall and coffee bar. We have work starting on this the first 3 weeks of the summer holidays so no one will be able to use the centre for those 3 weeks let's hope the weather holds so this can be achieved.

The officers of the committee held a meeting to discuss the new GDPR regulations and what impact this will have on the committee. We have put policies in place to cover this and our user agreements have been amended. Our secretary has e mailed everyone on the committee regarding this and I hope everyone has replied to her.

We have lots to discuss tonight with lots of events coming up between now and Christmas so we had better crack on.

200 Club

Due to GDP rules, we will only be publishing the winning numbers and general locations from now on. Please contact me on 407811 if you have any queries regarding 200 club.
