of positive comments received. Phase 2 of the refurbishment is nearly ready for a start date and the committee are hoping to sign contracts with WREN the partial funders of the project by the 7th April and sign contracts with GCG the builders on the same date. It is hoped work will start week beginning 9th April. Relevant paperwork now submitted to RUCIS application will then be put forward to have a new roof suspended ceiling and lighting in the main hall. If successful with the funding bid this work will be carried out in the 6 weeks holiday so no user groups will be inconvenienced. The PC will be kept informed of all works being done. Next event is the Penny and Denny spring cookery demonstration.
