Our cookery demonstrations with Penny and Denny still prove popular and very entertaining. The lantern walk at Christmas is growing every year and it is such a lovely family event looking forward to this years on the 2nd December.

On the 11th November we have a big event planned with the church, Hampton on the Hill and the community centre celebrating 100 years of the end of WW1 so that should be a great day for everyone on the village

We have lots of events already planned for 2018/19 and with the Virgin giving page up and running and the easy fundraising page were hoping this may generate funds from those people who may not be able to attend any events but would like to help. Further are available on our website which is something else that we have up and running during the last 12 months. <https://www.budbrookecommunitycentre.co.uk>

The McMillan coffee afternoon was again very successful which was run from the open door cafe and this year raised £450.

The 200 club after a purge last year is now full and brings in much need revenue.

The Community centre is being used by our regular users who are Preschool, Ballet, Pilates , Tots, cardiac heart group, Inky workshop, brownies scouts and private bookings with the improvements to the centre we are hoping any empty slots will be filled and if any become available we will be able to fill these because of the new improvements. Jane keeps the building clean and tidy and I would like to thank her for helping out during all the improvements.

So just to finish I would personally like to thank Michael, Alex and Linda who have at short notice had to answer e mails and messages at short notice during all the improvements when things have cropped up. The committee who as I said above have tirelessly worked hard over the last 12 months and the parish council for supporting our funding bids and hopefully will do once again in the coming 12 months.

AGM REPORT OCT 2018

Hi everyone and welcome to the community centre agm

Well what a year it has been I cannot believe that this time last year we were all sitting here celebrating the completion of the storage area and 12 months on we have managed to complete the new kitchen, entrance, new roof, new ceiling, lighting and new doors into the main hall, and with the hall being decorated in the Xmass break Phase 4 will be complete.

NONE of this would of been possible without the support of funding from WDC RUCIS , WREN and the parish council. But mainly from the hard work and dedication of the committee who have worked so hard with fundraising events to enable us to top up the funding bids with our own raised funds. The refurbishment of the community centre is still ongoing and we have a list ready for Phase 5 which includes refurbishment of the coffee bar, toilets, outside fencing, canopy and finally rendering of the building but were hopeful as a committee that we can achieve this. When we set about as a committee with our 5 year plan it seemed such a big ask but I am so pleased with what has been achieved so far. The help of the contractors GCG, Retain and Holl and Holl have been invaluable with what we have achieved over the last 12 months.

We have tried as a committee to vary the events we hold to enable different ages to attend. The popular events have been the Quiz, Bingo and the annual scarecrow event which this year we decided to include the launch of the community centre. It was so lovely to see so many people attend and receive such positive comments of what we had changed to the centre. Meeting some of the original committee who instigated the building of this centre was so lovely. After the launch I received a message from the granddaughter of Allan Golding saying "She had heard that the community centre looked fab and how lovely it was that her granddad had a mention" its small things like this that makes all the sleepless nights worthwhile
