Budbrooke Combined Charities provides assistance for Relief in Need or Educational purposes. There are four evening meetings a year.

The Clerk is the main point of contact for local people seeking assistance.

The Trustees are seeking a competent person, preferably based in the parish, with good administration, book-keeping and communication skills to do this. An annual fee is paid.

Requests arrive throughout the year so, other than attending meetings, work can be self-managed, alongside any other commitments, and would suit an individual working from home.

For further details please email:

mike.dutton1@btinternet.com – Chairman of Trustees.

The Trustees are also seeking another Trustee who has local knowledge and an understanding of how charities work, to help with making the right operational decisions.

If you are interested please email me, in confidence, including a short resume of how your skills, abilities and experience would be useful.

mike.dutton1@btinternet.com – Chairman of Trustees.

PLANNING MATTERS

PC noted correspondence received in relation to W19/0691 Arras Boulevard and signage request.

A resident reported that work had commenced without method statement being received and he feels rules and regulations are not being followed - he has reported this and is awaiting feedback. Other concerns

discussed. He has also requested several copies of various documents. Comments regarding signage for Montgomery Grange are that it is too big. New site doesn't meet parking standards. Not an encouraging start. PC will forward comments to Cllr Rhead to take forward.

Developers Traffic through HOTH concern.

Flooding on Birmingham Road Hatton noted, it has been reported.

Noted correspondence received in respect of application W19/2112 and water services: this needs to be looked at.

PC considered the below planning applications:

W19/1980 54 Old BB Road - 2 storey side extension & motorhome garage - Cllr Thomas declared interest. PC No objections.

W19/2072 - 6 Tithe Barn Close - Rear Corner extension with bedroom/bathroom. No objections.

W19/2112 - Land South of Lloyd Close - Application for Reserved Matters pursuant to condition 1 of planning permission ref: W/17/2387 for details of access, appearance, landscaping, layout and scale of 147 dwellings together with associated works, including vehicular/pedestrian access from Daly Avenue, green infrastructure including a play area, open space and other landscaping and sustainable drainage. PC are concerned that the affordable housing is clustered as opposed to being evenly integrated according to BB NP and also seems to contradict the Affordable Housing SPD consultation that affordable housing should have no visible difference between affordable and market housing. Plots 97-103 parking is lumped together, many of these are remote. Only 55 plots have garages out of 147 so not in keeping with the village.

Cllr Thomas to email his report to the Chairman & Vice-Chairman to pick out relevant comments to then send to clerk to submit. Also include comments that the development name Montgomery Grange removes the development from the Village. Clerk to seek an extension on comments deadline.

W19/2158AG - Land at Holes Wood, Woodway Lane - Prior notification for agricultural / forestry building

PC comments that the design seems inappropriate for a working agricultural building.
