Volunteer Driver Service VASA

Warwickshire County Council have provided VASA with funding to provide FREE transport to get those in the priority groups to their vaccine appointments. This is available for appointments in Studley as well as the mass vaccination centres in Stoneleigh and Birmingham.

We are concerned that some people are not attending due to transport issues.

VASA is a charity that has been providing voluntary car services in the area since 1978.

We have worked with the local Public Health team to ensure the service is safe and meets all regulations. Please pass this information on to residents who may need assistance, including any social media accounts you may have.

Patients or their friends and family can call Monday to Friday, between 9am and 4pm to book transport to their appointment to a central booking line on 01789 262889 and press option 1 or email transport@vasa.org.uk

This is for any resident living in the Rugby, Stratford or Warwick districts.

We have over 120 volunteers, all who are enhanced DBS checked and have been trained and issued with PPE.

COVID -19 SUPPORT - BUDBROOKE PARISH

For non-medical support and practical advice please call our

**Community Helpline:
(01926) 754090**

We can:

- Offer a listening ear and provide a connection if you are isolated or feeling lonely
- Deliver things to do, read & watch from our Community Library (books, jigsaws and dvds)
- Help you access services or additional support if required (e.g. shopping & other deliveries)
- Supply you with a face covering if you are struggling to order one online

From 24 July you must by law wear a face covering in shops, supermarkets, hospitals and on public transport. Please call us on the Community Helpline if you would like us to help you get hold of one.

What is the purpose of PPG & how can we help?

To give practice staff and patients the opportunity to discuss topics of mutual interest in their own practice.

A forum for patients and staff to improve and develop services within the practice by co-production.

To provide an opportunity for patients to make positive and constructive suggestions/ideas about the practice and specific medical conditions as an 'expert' or 'experienced patient'.

To encourage health education activities within the practice.

To involve further patients from the wider population.

We are looking for patients or carers of Budbrooke patients of all backgrounds & ages to bring a broad range of viewpoints

Patient Participation Group

Budbrooke Medical Centre - We are Recruiting

What is Patient Participation Group?

We have set up a Patient Participation Group to encourage patients to give their views about the practice. This is done through regular meetings with the PPG, Dr White and the Practice Manager. Those unable to attend meetings are still able to contribute by email as Virtual members. We will email you the minutes of the PPG meetings, ask your opinion on a range of topics, and bring your feedback back to the group.

Budbrooke Medical Centre – Research

PCR swabbing

If you have flu-like/Covid-like symptoms please do collect a PCR testing kit from us to test for infectious diseases. It is a single nose and throat swab just like the Covid ones but these are tested for a number of different infectious diseases including Covid-19, seasonal flu and RSV (which can cause bronchiolitis). If you are worried about turnaround times for results please do book a test via a drive thru/walk-in centre as normal but also pick up a kit from us and do this as well (in the name of research!). This will significantly help researchers understand what infectious diseases are circulating in the population as there is more than just Covid out there. During weekends kits can be obtained from the Budbrooke Covid Helpline or during surgery hours from us directly at Budbrooke Medical Centre. Once you have completed the swab you simply put the prepaid postage box in the post and we will be sent your results.

Covid – 19 research

If you do return a positive Covid result please do consider entering into a clinical study. We are a research centre for a national study looking to evaluate medications to see if they prevent hospitalisations versus usual care. Currently an anti-inflammatory drug that is usually prescribed to treat gout is being investigated. If you are aged 65 or aged 18 + with underlying health conditions please call us. We can walk you through what is required and enrol you into the study if you wish (there is no obligation if you do not wish to proceed). To read more about the study or to see if you are eligible please go to <https://www.principletrial.org/>

Clerk to Budbrooke Charities

(Budbrooke United Charities and Budbrooke Educational Foundation)

The Clerk of nearly 25 years is retiring so there is a rare opportunity for someone with an interest in the local community to take on this role.

The Clerk needs to have basic skills in administration, book-keeping and taking minutes of the meetings which are held a minimum of four times each year, currently by Zoom. The work takes up just a few hours each month. The Clerk needs to ensure that the purposes of the charities are carried out in accordance with the governing documents.

For further information or to register your interest, please email budbrookecharities@gmail.com

Dog Fouling issues

To report problems contact WDC Dog Warden
direct on: 01926 456734

Email: contactus@warwickdc.gov.uk

This can also be done online at
www.warwickdc.gov.uk/forms/form/46/report_dogs_fouling

The Fouling of Land by Dogs (Warwick District Council) Order 2011 requires owners to remove faeces deposited by their dog from any land to which the public have access in Warwick district and which is open to the air (including land which is covered but open to the air on at least one side). Persons contravening the Order may be prosecuted through the courts [maximum fine £1000] or given a fixed penalty charge.
