These are unconfirmed minutes. Confirmed minutes are available on the website shortly after the following meeting.

Present: Cllr Dutton (Chair), Cllrs, K Dutton, D Bryan, J Matecki, D Shirley, A Thomas

Apologies: Cllrs R Treacy-Hales, M Treacy- Hales, R Daffern, A Hearn

Clerk: K Sheriston

Public Participation - 15 minutes

(a) A resident advised that the new lamp post in Daley Avenue which was installed in October has not yet been connected. **It was agreed Cllr Matecki will follow up.**

(b) A resident raised the issue of public footpaths around the Parish being closed or obstructed (please refer to previously circulated email). The path on the southern edge of the Miller site was cited as an example where the path has been closed for over two years. The resident has twice reported the matter on the WCC 'problems with rights of way' portal, 12 and 6 months ago. Another example is close to the Bellway site near Daley Avenue where earth has been banked near to the path making it difficult to navigate. Cllr Matecki reported that WCC do have Footpath Inspectors, however he has been advised there is a backlog of work due to COVID. **The following actions were agreed:**

- (i)** clerk to send copy of the resident's email to Cllr Matecki
- (ii)** Cllr Matecki to follow up with WCC and attempt to get an idea of how many footpaths need to be inspected and an estimated time for

the inspection at Hampton Magna to be conducted.

Apologies & Declarations of Interest & Dispensations:

Apologies received from Cllrs R Treacy-Hales, M Treacy- Hales, R Daffern, A Hearn.

Approve January 2022 meeting minutes: Approved as a true and accurate record.

Matters Arising

(a) Styles Park Train – The train has now been ordered and a deposit paid. Installation is due end March/beginning of April. A person is needed to oversee the installation (ie. be on site for delivery of materials and source a water supply). **It was agreed that the clerk will talk to Martin Davies.**

(b) Tree Surgeon work at rear of 50 Slade Hill – now complete.

(c) A46 crossing – signage. Agreed clerk to send the letter to Highways England.

(d) War Memorial re-wilding project. Agreed quote of £425.00 from Martin Davies. **Clerk to follow up with Martin regarding the plaque for the War Memorial.**

(e) Grit Bin – agreed no further action at present.

(f) Various road/pavement issues as raised by Cllr Thomas at the meeting on 1st December – clerk is following up.

Precept: The precept requested has been sent to WDC and receipt acknowledged. (£36,720).

BPC Planning Document: The document is ready to be circulated to residents. Ian Broadridge has secured the following quotes for printing:
£115.00 for low quality paper
£229.00 for higher quality paper

It was agreed to go with the higher quote. Clerk to take no further action until instructed by Cllr Dutton.

Lobbying for legislation to provide councils with the flexibility to use virtual meeting options

Clerk to send letter to Matt Western.

Planning: No actions required.

Money from Miller Homes: Cllr Dutton advised that in connection with the possibility of securing funds from Miller Homes in connection with the proposed outdoor Gym, a local resident has been talking to suppliers. Her partner's father works for Miller and is raising the matter directly with them to ascertain whether funds may be available.

Correspondence – Request to use Styles Park for Dog Search Training

A resident has asked for permission to use Styles Park for Mantrailing (searching for missing persons using dogs). This would be on an ad hoc basis, perhaps once every couple of months. After discussion **it was agreed that the clerk would request a business plan from the resident that includes a Risk Assessment and details of Insurances.**

Parish Maintenance/Playgrounds

(a) Cllr Shirley advised that the potholes on Clinton Avenue have been repaired.

(b) Water is still flowing down Old Budbrooke Road. Cllr Thomas suggested there may be a spring or a mains water pipe. The water leaks out, where the gulley is lower than the road. Clerk advised this has been reported to WCC and will follow up. (Afternote: the leak was reported to Severn Trent by a resident. It turned out to be a burst water pipe and has now been repaired, however the gulley's have not yet drained out – this aspect of the issue has been reported to WDC).

(c) Fly tipping on Watery Lane – **to be reported by the Clerk to WDC.**

Community Centre/Village Hall

(a) Community Centre: A quiz is being organised for the evening of Saturday 19th March.

(b) Village Hall: On behalf of Cllr Rhonda Treacy Hales, the clerk reported that a committee meeting was held on 21st January. Film Nights will resume with the first showing planned for 18th March, then 15th April and 13th May. Films to be confirmed. The AGM will take place on 22nd April 2022.

Finance

- (a) Bank reconciliation and payments approved.
- (b) The clerk advised that Cllr K Dutton now needed to sign the bank mandate and visit the bank with identification.

Newsletter/Facebook/Website

- (a) The council agreed they were happy for the clerk to post some press releases onto the noticeboards in HM as not everyone has access to the website or Facebook.
- (b) Cllr Dutton advised the parish is now at the point where the number of newsletters needs to be increased and will discuss with Ian Broadbridge.

Any Other Business

- (a) Cllr Matecki advised there are still Omicron grants available. The schemes cover both business and non-business entities – the community centre and village hall are eligible to apply.
- (b) Traffic in HOTH: Cllr Matecki advised he met with HOTH residents and County Officers to discuss this matter. Speed humps cannot be used because of potential damage to foundations by vibrations. The residents wish to engage a company to look at options for speeding measures and suggest a solution. This will cost in the region of £1,500. Cllr Matecki suggested that if the PC could cover the cost of the investigation, and depending on the schemes highlighted, some of his delegated budget might possibly be used to support the implementation of any traffic calming measures identified by the survey. Previous surveys, however have shown the average speed through HOTH is 24mph and it is therefore difficult to build a case. A resident suggested putting a consistent speed limit of 30mph on the main road through both HOTH and HM, however it was advised this would not be possible for the bottom of Hampton Road.
- (c) Cllr Dutton advised the AGM is due in May – **clerk to place on the BPC meeting agenda for March.**
- (d) War Memorial Centenary Plaque: **clerk requested to give Martin a nudge as this is now well overdue.**

Next Meeting - Wednesday 2nd March 2022.

Warwickshire Road Safety Partnership publishes new Strategy to 2030

Warwickshire Road Safety Partnership has today published the Warwickshire Road Safety Strategy to 2030 setting out an ambitious target to reduce deaths and serious injuries on our roads by 50% by 2030.

The development of the plan follows a public consultation which looked at attitudes to road safety and the measures that would be needed to make highways safer for all users.

'Together' is a key word in the Strategy as it calls upon the public as well as partners such as Warwickshire Police, Warwickshire Police and Crime Commissioner, Warwickshire County Council, Warwickshire Fire & Rescue and National Highways to play their part in making our roads safer as part of the new 'safe systems' approach.

The Safe Systems approach is built upon four principles:

1. People make mistakes that can lead to collisions
2. People are vulnerable to being killed or seriously injured in a collision.
3. Road Safety is a shared responsibility for all, including you as a road user and those that design, build, operate and use the road system
4. All parts of the system must be strengthened so the road users are still protected if one element fails. This means that when a collision occurs we need to make sure we manage the transport system so the roads, the roadsides, the vehicles, the speeds and human behaviour all work together to increase the protection. If one is weak the other systems should come together to protect that person from serious harm.

Chair of Warwickshire Road Safety Partnership and Warwickshire Police and Crime Commissioner Philip Seccombe said: "In Warwickshire the ambitious target of a 50% reduction in road deaths and serious injuries means 183 fewer people killed or seriously injured on our roads by 2030. "Talking about this target in real terms brings home how important it is that we reduce the numbers of people killed or seriously injured on our roads every year. Any number is too many and this new Strategy is just the start of our journey towards 'Vision Zero' to eliminate fatal and serious casualties, and create a safe road environment that will encourage active and sustainable travel."

To achieve the Safe Systems approach, WRSP has established working groups with their own performance indicators to look at all aspects of road safety in order to keep people safe. The working groups are Safe Road Users, Safe Vehicles, Safe Speeds, Safe Roads and Post Collision Response.

These working groups will work together to improve the system and use all available data and evidence to determine the initiatives that need to be put in place. This work is supported by a Data Working Group and a Communications Working Group.

Chair of Warwickshire Road Safety Partnership and Warwickshire Police and Crime Commissioner Philip Secombe said "We are excited to be part of this new way of thinking to increase the layers of protection for road users, to strengthen the system and to help reduce deaths and serious injuries on our roads

Mr Secombe added: "We can only do this if everyone plays their part, so please join us by doing your utmost to become a better road user and do everything you can to help prevent collisions from occurring."

Please join us on the journey to Vision Zero in Warwickshire. To view the Strategy to 2030 and a short video clip explaining 'Safe Systems' click here

Warwick district residents the most active in the region

Latest figures from Sport England have revealed that people living in Warwick District are amongst the best in the country when it comes to taking regular exercise.

The most recent 'Active Lives' survey which provides an overview of sport and physical activity levels amongst the over 16s in England, has shown that Warwick District has the highest 'Active' population across the sub region at 70.9% which is 9.3% higher than the sub regional average (61.6%) and 10% higher than the national average (60.9%).

Warwick District Council is continuing with its long-term investment in sport and leisure, which over the last five years has seen a £ multi-million rejuvenation of the Council owned leisure centres at Newbold Comyn (Leamington Spa) and St Nicholas Park (Warwick) with work starting this year to build brand new facilities at Abbey Fields and Castle Farm in Kenilworth.

Councillor Liam Bartlett, Portfolio Holder for Culture, Tourism and Leisure commented:

"These statistics are really encouraging and not only reflect the success of our investment in the local leisure centres, but also the plethora of opportunities available across the district to take part in physical activities whatever your age or fitness level. We are so lucky to have a fantastic range of inclusive clubs and groups in our community mainly run by volunteers including three park-runs, football, bowls, netball, cycling, running, dance, rugby, swimming, karate, yoga, hockey, cricket and water-sports."

"Although a vast majority of people in our district are active, it's also important that we introduce those who aren't currently participating to the health benefits of taking regular exercise. Losing weight and building fitness levels can greatly reduce risks of illness or hospitalisation from Covid-19 and also some common cancers, blood pressure, heart disease or diabetes. We are therefore delighted to see the resurgence of [local well-being walks](#) with several taking place each week across Warwick, Leamington and Kenilworth."

"In addition, the Council wants to ensure that people living in Kenilworth continue to have a good range of fitness provision available to them on their doorsteps while the leisure centres are closed with an extensive list of providers and activities listed on our website."
