4. Grievance Procedure
5. Lone Working Policy
6. Requests made under the Freedom of Information Act and Data Protection Act

Press/media

On Item 6 & 7: to note the council's policy to follow advice from WALC or the relevant organisation, ie, Information Commissioner's office. Where no review is scheduled, the council reviews the policy as and when new advice or a new model policy is issued by WALC & advised by the Clerk.

Budbrooke Parish Council have now adopted the LGA (Local Government Association) Code of Conduct **Apologies & Declarations of Interest & Dispositions**. Apologies were received from Cllr Matecki.

Approve April meeting minutes: approved as a true & accurate record and signed by Cllr M Dutton.

Finance

PC noted & approved bank reconciliation and approve payments.

Signing of the AGAR (Annual Governance & Accountability Form) was deferred to the June meeting.

The clerk advised that 2 deposits of CIL funds had been received.

(Afternote: this is now corrected to 1 CIL fund deposit as the second remittance referred to a Precept deposit).

6. Any Other Business / next meeting arrangements

The next PC meeting will be held in Budbrooke Community Centre at 8.00 pm on Wed 1 June 22.

The meeting closed at 8.30 pm.

Minutes of Budbrooke Annual Parish Meeting held on Wednesday 4th May 2022 at the Budbrooke Community Centre

Present: Cllr M Dutton, Cllrs K Dutton, D Bryan. M Treacy-Hales, R Treacy-Hales, D Shirley, A Thomas, R Daffern, Kay Sheriston (Parish Clerk), 3 members of the public.

Apologies: WDC Cllr J Matecki.

Opening & Welcome: Cllr Mike Dutton welcomed everyone and explained the format of the meeting.

Minutes of the previous meeting. The minutes of the Budbrooke Annual Parish Meeting, held on Wednesday 5th May 2021 were approved and signed.

Annual Reports 2021 – 2022.

Chairman's Report: In June last year we sought views for the 2022-2027 Plan.

No meetings were held in public from May – July 21 during which time they were held via Zoom to deal with urgent matters. A face-to-face meeting was held in August 2021. The new Parish Clerk (Kay Sheriston) was appointed in Nov 21. The Community Centre officials resigned from the committee and BPC became custodians for a while. A new committee has now been appointed and is working well. 2021 was a difficult year for all and I thank all the Parish and WDC/WCC councillors, especially Cllr Jan Matecki. We are hoping we will be able to keep everything moving forward in the parish. Reports were also received from Cllr Jan Matecki (WDC), Cllr Rhonda Treacy-Hales (Village Hall) and Cllr A Thomas (Community Centre). They are attached to these minutes.

Forward Plan 2022-2027. Cllr M Dutton advised that the CIL fund currently stands at £359,782.49. (Afternote: this has now been corrected to £341,282.49 due to the sum of £18,500 being attributed to the CIL account rather than the precept account). Cllr Dutton explained that there

are conditions attached to the expenditure of the CIL monies. The spends must relate to mitigating the effects of the new developments on the parish and support National and Regional policies. The proposals include allotments, an outdoor gym, children's playground, a community garden (possibly in Montgomery Park). BPC will be aiming to maintain the spaces that currently exist and reducing environmental impacts, for example rather than cutting trees down, plant new ones and consider re-wilding more spaces. The Community Centre requires a new roof and potentially an internal refurbishment/redesign to allow two groups to use it at a time. The lease in the Village Hall expires in 10-15 years so planning is required for this. The Open Door Café is now open

A resident asked about the footbridge over the A46. Cllr Mike Dutton explained that this matter has been ongoing for many years and has not yet been resolved. Cllr Dutton is in discussion with Highways. The matter of a sign warning traffic of pedestrians on the bend between Montgomery Park and the hill to Hampton on the Hill was also raised. The Clerk advised she is still in discussion with Highways who are reluctant to place more road signs in that area as they distract drivers.

A resident commented on the status of Montgomery Park play area advising that the slide is perishing, and the area overall would benefit from more facilities for early years children, eg. a sandpit and toddler friendly climbing. The resident cited Abbey Fields and Strathearn Garden parks as good examples of parks with facilities for younger children. Cllr M Dutton thanked the resident for his input and suggested he put together a working group of parents to develop a plan that includes costs. Cllrs Rhonda and Maggie Treacy Hales were requested to (1) take photographs of Abbey Fields and Strathearn Gardens play areas (2) investigate who built them and the costs involved. **Action: Cllrs Maggie and Rhonda Treacy-Hales.**

A resident raised the question of seating around the parish, commenting that with the expansion of the villages, further seating would be beneficial to allow walkers to rest. Cllr Kate Dutton advised that permission is

needed to place seating on the pavements and green spaces. Agreed that Cllr Rhonda Treacy Hales would work with the lady who runs the weekly walks to identify potential sites. **Action: Cllr Rhonda Treacy Hales.** It was emphasized by another resident that any new seating should be made of recyclable materials.

The question of who owns the communal land in the new developments was raised by a resident. Cllr M Dutton advised that this matter is not yet open for discussion with the developers. The same resident asked if it would be possible for BPC to purchase land in the area to avoid further development. Cllr Dutton advised the current government policy is pro-developer as are both Warwick District and County Councils. Cllr Dutton further advised that an attempt to purchase the land at the back of Hampton on the Hill was made in the past, but the landowner declined to sell. The resident further stated he didn't feel the 2022-27 plan was actually a plan – Cllr Dutton advised it is a set of objectives. Cllr Dutton further advised that the developers have an obligation (under Section 106) to consider and possibly mitigate for the effects of their developments on NHS/GP services, education, police, and other blue light services. The GP service in Budbrooke is currently over-subscribed leaving additional residents with nowhere to go. A planning application has been submitted to build flats on the pub car park with space below to expand the surgery. The CIL money is based on new build having a tax of £70.00 per square metre. Cllr Dutton emphasized that BPC can only set out what they wish to achieve in terms of using the CIL money – WDC have far more authority. The neighbourhood plan is also limited in its powers, for example, more bungalows and homes with disability access properties would be desirable though not necessarily achievable.

A resident mentioned that the Budbrooke Parish Council website is not up to date as it is missing the Parish meeting minutes since February. The Clerk advised this is in hand and will be updated by the end of May.

Cllr Andy Thomson advised that efforts have been made to get more EV charging points around the Parish. Cllr Thomson also mentioned that the

developers have been persuaded not to put all the social housing together – instead these are spread throughout the new developments. He emphasized that BPC have no power or influence as such in these matters – they can only forward views and concerns. The original number of new builds was 13,000, however WCC have advised the target is now 17,000 throughout Warwickshire.

A member of the public returned to the subject of the potential bridge over the A46 and asked if Sustrans and The Ramblers have been approached. Cllr Kate Dutton advised that their input has been sought in the past. It was agreed the Clerk would investigate contacting them again for support. **Action: Clerk.**

Bus Service

The IndigoPlus service is available to book through the app from Thursday 19th May for journeys starting on Monday 23rd May when it goes live. Cllr Bryan advised that a pre-paid card is not yet available but hopes it will be soon. He added that BPC are working closely with WCC Transport to make the service as user friendly as possible including:

- cash payment
- pricing
- season tickets

The Mega Rider is not currently accepted.

Cllr Thomas mentioned that the developers were going to contribute towards the cost of transport in the area. Cllr Bryan advised this would need to be pursued under a Section 106 application.

A resident asked for details of the meeting points should people want to travel from different but nearby locations. This is yet to be advised.

The meeting closed at 2115 hrs.

Putting Magna on the Map!

You will be aware that a precursor to the Games the Queens Relay Baton Relay. This has been taking place across the whole of the Commonwealth. When the Baton returns to the UK it will travel through the length and breadth of England before arriving in Birmingham on 28th July for the Opening Ceremony. And thousands of people were nominated

to carry the Baton on its journey through England and just 2022 have been chosen. Each will carry the Baton for approximately 200m before passing it on.

What you may not know is that Les Barnett, a resident of Hampton Magna since 1971 is one of the small number of Warwickshire residents who will have this honour. The Relay Baton will pass through Warwick on 22nd July. Les says "I am delighted and extremely proud to be one of those chosen as a local Baton Carrier"

Les has been a member of Leamington Cycling and Athletics Club since 1967. He has held numerous positions with the Club and judged and coached athletics at every level for more than 40 years. For his services to sport, in March this year Les was given the 2021 England Athletics Volunteer of the Year Award.

#

Budbrooke Community Centre

Summary report, May 2021 – May 2022

Between lockdown from March 2020 – spring 2021 the Officers of the Community Centre continued to meet virtually to consider what needed to be done in the interim. Policies were reviewed and updated remotely by the membership, Phase 4 developments were being finalised with plans drawn up and potential funders identified. Request for tenders were also sent out, disappointingly no replies were received. From May 2021 regular user groups began to return to their usual sessions however, to ensure safety the Officers compiled a service users/cleaning timetable along with changes to the Regular Users agreement. This ensured the building was as hygienic as possible and all users understood their responsibilities. Committee Meetings recommenced in July 2021 and a provisional social events list was agreed – with the proviso to cancel or postpone should COVID rules be re-introduced.

At the AGM in October 2021 a positive Chairman's report was received detailing some successful social events, that the 200-club continued to thrive, the Officers were pushing ahead with Phase 4 developments and almost all user groups were back to normal. The finances for the year were good and although we had reduced income, we also had smaller outgoings. A Business Grant from Warwick District Council helped support us as lockdown closures impacted on incomes. At this AGM, all four Officers resigned or retired thus placing the management structure in a difficult position. During the meeting new Officers were appointed to the posts of Chair, Vice Chair and Treasurer and the retiring Secretary agreed to continue for a further year to offer support.

This winter there were some problems with the coffee bar roof leaking and some minor maintenance issues however it was likely these would be rectified during Phase 4 developments. Interestingly, as the new Officers team and the Building Works Sub-Group gained some (high) quotations they met to discuss the 2021 Phase 4 plans and new ideas emerged which could potentially be less expensive (by utilising current services). These may also have added value in the building could potentially be rented out in two halves and Phase 4 works could be split into smaller bite-size chunks (i.e. Re-furb the

Budbrooke RVS Club for the over 60's

The club will be meeting regularly now on the 3rd Wednesday of each month in the Village Hall, Hampton-on-the-Hill
10.30am – 12noon.

15th June: Platinum Jubilee Celebration with cream tea at 11am

20th July: Talk on reflexology with a demonstration

August: Trip out for lunch – date to be confirmed

21st September: Talk by the excellent speaker Mr Trevor Langley
entitled 'The Walls of Warwick'

There will be a raffle and table sale at each meeting.

Please keep this notice handy.

New members welcome – just drop in.

Coffee Bar, Refurb and reposition toilets, roof & lighting works etc) which might help when funders are approached.

Since September 2021, the Centre has recovered from lockdown, user groups and Committee meetings have re-established. The new Officers have settled into post and are managing the Centre well. A Social activities and fundraising events calendar is back to normal and plans are being drawn up for the Queens Platinum Jubilee celebrations. Health and Safety issues are being dealt with (PAT testing, Door servicing, Fire extinguisher checks, lights and bulbs sorted and contacts with user groups continue as and when necessary). The loft has been cleared of debris and may need re-flooring and the storeroom has been seriously tidied. In summary the Community Centre is on track to continue with services as in previous years with the additional focus of completing Phase 4 by 2023.

Linda Price
Secretary. Budbrooke Community Centre CIO

The committee have worked hard to achieve all that has been carried out this year. We thank the parish council and everyone who has supported our events which enables us to achieve the work we have done. A big thank you must go to the old and new committee for their hard work and dedication given to the Budbrooke Community centre. They keep this centre in the best possible conditions they can allowing it to be used seven days a week.

Cllr Andy Thomas

County Councillor's Annual Report for Budbrooke 2022

In May 2021, elections were held to select the councillors for Warwickshire County Council. I was honoured to be elected as the representative for the Budbrooke and Bishop's Tachbrook Division, replacing Les Caborn. The Conservatives formed the new administration with an increased majority.

Covid still continued to dominate many activities throughout the year, with vaccinating the population being a priority. As a county, 86% of those eligible for vaccination received at least one dose, which includes 70% of under 18s. In Warwick district the numbers are 86% of eligible residents receiving at least one dose, with 74% of under 18s doing so. This compares to the national figure of 80% and 60% for under 18s.

The new Integrated Care Scheme (ICS) for Warwickshire is taking shape and a formal submission to Health England will be submitted in the coming weeks. As part of the new ICS, the county has been divided into "places". The South Warwickshire Place (SWP) covers Warwick and Stratford District areas. The SWP will be able to focus on the health needs of South Warwickshire residents as priorities. These priorities have been identified as Respiratory Health and Inequalities, Children and Young People, and Mental Health, Suicide and Bereavement. The SWP Board will now be working to put in place plans to tackle these local issues.

The Fire Service had Ben Brook appointed as new Chief Fire Officer appointed in July 21. This was as a result of Kieran Amos retiring after 30 years of service in the fire sector, and as the Chief Fire Officer in Warwickshire since 2019. Sadly, only 4 months later, in November Kieran passed away after an unexpected short illness.

A national campaign for 20 is plenty was brought to the council as a motion to have all residential areas of Warwickshire reduced speed limits of 20mph. A task and finish group (TFG) was set up to look into the feasibility of such a proposal. The TFG determined, and recommended to the Cabinet, that a wide-

spread 20mph in all residential areas would be impractical for many reasons, including defining what was a residential area or not, and would probably have a negative effect on areas that needed 20mph limits such as around schools. The TFG recommended that the decision on 20mph limits should be a decision taken more locally, where the requirements and support for such limits were better known.

The Warwickshire Minerals Plan 2018, which includes the proposed quarry at Barford, has still not been adopted and awaiting the Inspectors further comments.

On-street car charges in the main towns were increased to match local car park prices.

A new bus service is planned to commence on 23 May 2022 to replace the current No.16 bus. The service will be a Demand Responsive Transport service (DRT). The service will not have any fixed bus stops, routes, or timetable. Residents will be able to book the service through an App, (Indiego Plus), or through a call centre. Bookings through the App can be done anytime, while the call centre will only be open between 7.30am and 5.30pm Monday to Friday, although the service will run from 6am to 7.30pm Monday to Saturday. There will be 3 Mercedes 16 seat EVM minibuses running, that will take passengers to their destination by the quickest route.

Cllr. Jan Matecki
29 April 2022
