- Support Community Centre activities – it is there for Budbrooke's community, help shape new developments.
- Allotments are likely to be ready later in 2023 – we need an allotment committee to run it.
- Play equipment in Styles Close and Montgomery Avenue needs users' and parents' views on what would be needed.

The Parish Council has funds to make a difference, but if not used they will probably be spent elsewhere. Some plans are in place, but most are at an early stage so that you can help design our future infrastructure.

Also, in May 2023 there will be elections for the parish council. Don't just vote, stand yourself!

Mike Dutton, Chairman, Budbrooke Parish Council.

Warwick District residents need photo ID to vote at elections in May

For the first time, residents in Warwick District will need to show photographic ID to vote at this year's local elections. Residents are being urged to make sure they are ready to vote in May by checking they have an accepted form of ID.

Accepted forms of ID include a UK, European Economic Area (EEA) or Commonwealth passport; a UK, EEA or Commonwealth drivers' licence; and some concessionary travel passes, such as an older person's bus pass or an Oyster 60+ card. Voters will be able to use expired ID if they are still recognisable from the photo.

Anyone who does not have one of the accepted forms of ID will be able to apply for free ID online at www.voter-authority-certificate.service.gov.uk or by completing a paper form.

The full list of accepted ID is available on the Electoral Commission's website, along with more information about the new requirement and details of how to apply for the free ID, at

electoralcommission.org.uk/voterID.

Anyone who wants to have their say in the elections this May must also be registered to vote. It only takes five minutes to register online at www.gov.uk/register-to-vote. Voters wishing to apply to their council for free ID should first make sure they are registered to vote.

The requirement to show photo ID at the polling station, is a new requirement, introduced by the UK Government's Elections Act which was passed last year and comes into effect for the first time this May.
