BUDBROOKE PARISH COUNCIL
MINUTES OF MEETING
Wednesday 7 February 2024 at 20h00
in the Budbrooke Community Centre

Present: Cllr Mike Dutton (Chair), Cllrs: Andy Thomas, Maggie Treacy-Hales, Michelle Nutt, and Ian McCloskey, Peter Phillips (WDC) and 3 members of the public

Apologies: Cllrs: Rhonda Treacy-Hales, Jan Matecki (WCC & WDC)

The appointment of Mr Brian Ryninks as Parish Clerk and Responsible Finance Officer to the Council was confirmed and Veronica Poole was thanked for her work in this role.

1. Public Participation

1.1 A member of the public reported a street light going out in Daly Ave and she was advised to report such matters to the Fix my Street website. **Clerk to check** thereon if already reported otherwise to do so.

1.2 A member of the public reported that in relation to the Hampton-on-the-Hill water issues, the situation was better in January than in December with no outages. This member also enquired as to somebody following up on Severn Trent re the infrastructure referred to by Severn Trent. In response, it was noted that this will be followed up once the PC was aware of details. In the meantime, the **clerk would check** with Highways. It was confirmed that PC as a group we will take this matter on. **Clerk to action**

1.3 A member of the public confirmed that Hampton-on-the-Hill had had 13 posts installed on the grass strips previously noted in BPC minutes, plus a further 2 outside the church. The member believed that these posts had been effective in stopping driving and parking on these grass strips and that they had been told that these strips had been added to the grass cutting list for attention every other month. Peter Phillips confirmed that the grass strips are on the maintenance list.

1.4 An email had been received on 6/2/24 querying the installation of the posts on the grass strips in Hampton-on-the-Hill. This included concern that the driveway of the complainant was being used by courier drivers, and it was thought that this was possibly across the driveway rather than in the driveway. It was confirmed that funding was from a designated transport fund and so had not deprived the parish of any funds. The grass cutting was maintained by WDC as noted in 1.3 above. If maintenance had not been provided by mid-May it was suggested that this be

reported to the PC that would refer the matter to Cllrs Matecki and Phillips. In response to the concern in the email that residents were not informed, it was noted that this issue had been in the minutes of a number of recent PC meetings that are shown in the monthly newsletters distributed in the parish. Reference was also made to the width of the footpath with encroachment from both sides. Residents are responsible for their side and a member of the public believed that Cllr Matecki was involved in a survey that included this footpath, although this may only have related to the surface but not the width. Another member of the public noted that a member of the local walking group had expressed concern that the pavement should not be that narrow. **Clerk to** report this concern about the width to WDC and or WCC as well as reply to the resident

1.5 A member of the public reported that the member of the walking group referred to in 1.4 above was looking at dropped curbs as there were meant to be a few installed each year. This member of the public offered to provide an update to the next meeting. **Clerk to** follow up

2. Register, Apologies & Declaration of Interest & Dispensations

The register was signed by all present. There were no declarations of Interest & Dispensations

3. Approve previous minutes

3.1 The Minutes from the Parish Council Meeting of 3 January 2024 were approved **Clerk to file**

3.2 A member of the public added that only 2 additional posts and not 3 per 1,b of the minutes. In response, it was noted that Council had understood it to be 3.

4. Matters Arising

4.1 Proposed new Hatton community – Following information being provided to Councillors by the Chair, he reported that he had been invited to a meeting with the developers and it was agreed that he should attend.

sidered. **Cllr Nutt** would reply in the meantime, with a decision to be made at the next meeting.

4.7 Cllr Nutt enquired if the application from Ajax Football Club for a grant had been resolved. More info had been required in line with the PC grant policy requirements e.g. who will benefit. It was understood that this information had been requested but that a full copy of the policy requirements may need to be sought. **Clerk to liaise with Cllr Nutt.**

4.8 Amy Bambridge from The Heart of England Forest had expressed an interest in a pond in the Centenary field. The Chair repeated that it needed to be confirmed that this pond was possible under the relevant regulations, that it complied with safety requirements, was covered by insurance and that it was in accordance with the Centenary Trust? **Clerk to follow up.**

5. Council Projects Update

5.1.1 Cllr Nutt reported that the Wicksteed inspection had been very helpful and that she would talk to people who had volunteered to assist with this project. **Cllr Nutt** to pursue

5.1.2 Cllr Nutt noted that there was no seat on the zip wire. This was a relatively new seat – when installed and that vandalism is an issue in many parks. These seats either need to be replaced often / annually or removed. **Cllr Nutt to investigate if / where a replacement might be sourced.**

5.1.3 Cllr Nutt reported that the rest of the equipment was generally in order with only minor issues needing attention. Cllr McCloskey noticed in the report that some matters were cleaning related and **Cllr Treacy-Hales** offered to refer the cleaning issues to Martin Davies.

5.1.4 It was noted that Warwick Football Club had approached the Clerk regarding the use of PC facilities. **Clerk to follow up**

5.2 Community Centre works – nil

5.3 Red phone box in Hampton-on-the-Hill

5.3.1 Cllr Rhonda Treacy-Hales has received a quote to remove and clean and is now seeking a second quote, Given the specialist nature of the work required, it may be difficult to source an alternative quote. **Cllr Rhonda Treacy-Hales to pursue**

5.3.2 A member of the public made a strong request for the phone box to display a walking map in the telephone booth. **Cllr Rhonda Treacy-Hales to consider.**

Cllr McCloskey noted the possibility of different formats for these walking maps/routes including leaflets or in the newsletters. **Clerk to follow up**

5.4 Applications for Community Infrastructure Levy funding – Cllr Treacy-Hales had met with some residents who had enquired and it was agreed that the newsletter needs an advertisement notifying residents of PC

plans and inviting further comments and ideas. **Clerk to action**

5.5 Cllr Nutt enquired about the status of the acquisition of benches. The Chair replied that whereas council had agreed to buy these, there were restrictions if these were placed on district or county land. An earlier list of possible locations will be sourced by **the Clerk**.

6. Planning Papers

6.1 No planning applications to report.

7. Correspondence

7.1 Referred to at various points in these minutes.

8. Parish Maintenance/Playgrounds

8.2 Entrance to Montgomery Playing field – on the drive to the two bungalows, there are some birch trees that require attention. A resident had requested that the PC consider this and so **Clerk to** secure quotes for cutting back these trees.

8.3 On the same drive referred to in 8.2 above, there are places where deep puddling is occurring at 2 or 3 places near Old Budbrooke Road. It was suggested that a sign warning of soft verges be considered. **Clerk to** follow up

8.4 The Wicksteed annual playground survey had been distributed to all councillors and Cllr Nutt noted that there was nothing urgent to attend to. The report referred to the main slide at Montgomery Park that might need some attention that will be attended to as part of the park upgrade that **Cllr Nutt** is leading. The issue of having another a seat in the other park is referred to in 5.1 above.

What is going on? An update.

Allotments:

We are still waiting for the legal transfer of the site on Hampton Trove to be made over to Budbrooke Parish Council. If you have already notified us that you would be interested your name should be on file, but to be sure please resend details to the clerk. In the meantime, and so that digging can start quickly, we need an Allotment Committee. We have two current councillors with experience who will help draw up rules, etc., No promises, but hopefully soon we will take possession of this long-awaited facility.

Montgomery Avenue and Styles Close:

There has been a long period of consultation, but we need to start work implementing decisions. Therefore, this is the last time for you to have your say about what is planned as delaying further may result in funds being lost. The Annual Parish Meeting will be held on **May 8th, 2024**, at Budbrooke Community Centre. If you are interested and or have project management skills, get in touch or come to the meeting and we can get these off to a start this year. Currently we are planning to improve/change the play equipment and add some outdoor gym equipment.

General Environmental matters

Already we have planted more hedging in Montgomery Avenue play area which is a designated Centenary Field. We have plans for adding benches at a number of sites and are awaiting the landowner's permissions. The HOTH telephone box is going to be taken away for painting and preparation before being returned, replaced ready for use.

Guy of Warwick

Historic Talk

by

Neville Armstrong

Was ever a knight for Lady's sake,
So lost in love as I Sir Guy:
For Phillis fair, that lady bright,
As ever Man beheld with eye;

Guy of Warwick is one of the greatest characters to have influenced British culture and he is a legend that equalled King Arthur in his popularity and values. However, in recent times, the importance of Guy of Warwick has sadly been lost.

An updated version of the legend is now available as a fictional trilogy, which traverses Guy's life and his adventures.

The books are based closely on the historic legend, which is a chivalrous love story that tells of Guy's devotion to Felice, the Earl of Warwick's daughter and his trials to become worthy of her.

The talk describes the history of Guy of Warwick and his importance within middle age society as a mirror to what we all should strive to achieve.
